School Election Finds Three In Race For Office

Voting Tomorrow Will Be Held at Five Polling Places

The names of three candidates will appear on the ballots for the election of two members of the governing board of Tahoe-Truckee Unified School District tomorrow.

The election will be held between the hours of 1 and 7 p.m. throughout the district, with polls at the elementary schools at Kings Beach, Truckee, Tahoe City, Soda Springs and the former school house at Floriston.

The three names on the ballot are those of Reginald Smart of Truckee, Denis Sach and Incumbent Harold Stark of Tahoe City. Smart filed for the post when V. C. Shattuck, present member of the board, announced he would not seek re-election.

Stark was appointed to the board when Stanley Martin of Tahoe City resigned and left for Lovelock. Other members of the five-man board are Fred Pedley of Soda Springs and Thomas Lucas of Kings Beach, with W. A. Loynd of Truckee president of the group.

NEW TANK FOR DISTRICT WILL ASSURE STORAGE

Directors of the Truckee Public Utility District are advertising for bids for the installation of a 100,000 gallon redwood water tank which will augment the current water storage supply for this district.

It is proposed to install the tank in the vicinity of the presently used tunnel storage reservoir northwest of here.

With the addition of the new tank, which will cost an estimated $6,000, according to manager C. Edmunds, the storage capacity for Truckee will be boosted to 300,000 gallons, the tunnel holding an estimated 200,000. This, the directors decided, will provide for emergency fire protection as well as assure an ample supply for domestic and commercial use.

As soon as the new tank is installed work will start on repairing the tunnel which, a few years back, was damaged when a light earthquake shook the area.

MUSIC FESTIVAL AT SCHOOL HERE SET FOR FRIDAY

The Tahoe - Truckee Unified School District will present its spring concert tomorrow evening, May 15, in the high school gymnasium, starting at 8 p.m.

The program will consist of numbers by the kindergarten and first grades directed by Mrs. Robert Briggs of the Tahoe Lake School; the second and third grades of the combined elementary schools will sing under the direction of Miss Patricia Meddaugh of the Truckee elementary school; the fifth and sixth grades will sing under the direction of Hugh Smith of the Truckee elementary school.

The second half of the program will consist of band and orchestra numbers presented by the high school, under the direction of Joseph Mustol. Numbers which will be played by the high school band will be The Couch, Sleepers Awake, Loch Lomond, Schnitzelbank, Doll Medley, Tenderly and Keyboard Hug. The chorus will sing The Pines of Home, Come Where My Love Lies Dreaming, Trees and Ave Maria.

The combined chorus and band will present Jesu, Joy of Man's Desiring.

The program will be concluded by the singing of the National Anthem by the entire group. The public is cordially invited to attend this performance. There will be no charge.

BOXING BOUTS ON TELEVISION HERE

Cleo and Surb Klein of The Pastime in Truckee are inviting local area boxing fans to share their television ringside seat to the Marciano-Walcott fight on Friday night at 7 p.m. The fight is for the heavyweight championship of the world, in which Rocky Marciano of Massachusetts will defend his title against the man from whom he took it last year, Joe Walcott of New Jersey.

RE-OPENS SHOP

TAHOE CITY— Ernest Hoerdler announces he will reopen his barber shop at Tahoe Inn here May 20. Hoerdler spent the winter at his home in Covina but has returned to the lake for the summer.

Leave Summit—

The Virgil Miseners of Soda Springs have changed their address to Millbrae.

Charles Osburn Heads Sportsmen In Coming Year

Charles Osburn, manager of Osburn's Associated service station, was elected president of the Truckee Outdoor Sportsmen at last Friday's annual meeting, replacing Johnny Ciardella who has successfully guided the destinies of the organization for the past three years.

Osburn has been active in the club and other civic organizations, including the presidency of the Truckee Rotary Club. He had served as vice president of the Outdoor Sportsmen under Ciardella.

Other officers elected Friday include Darrell Knoefler, ranger at the Donner State Park, vice president, and Hazel Roberts, re-elected secretary.

The board of directors comprises Byron Miller, Orval Vaughan, Reginald Smart, Jack Waggoner, John Roberson and Fred Pedley.

The fiscal year of the club begins July 1 and the next meeting will be held June 12 at which time all interested sportsmen are urged to be present and participate in the program for the coming year and enjoy the refreshments.

THREE KOREAN VETS INJURED IN AUTO CRASH

Three young Korean veterans who arrived in Oakland Tuesday are spending part of their 30-day leave in the Tahoe Forest Hospital as a result of wrecking a car in which they were riding four miles east of here this morning at 5:00 o'clock.

Joseph Franzo, 18; Allan Todd, 21, and Edward Conway, 21, all of the east, were badly injured when the car overturned. None admitted being the driver and Patrolman William Gautsche is checking the ownership of the vehicle, registered to a Sacramento man.

While Constable N. F. Dolley and Gautsche were preparing to place the injured in the ambulance driven by Dolley, a light truck operated by Benjamin Stimple, 57, crashed into the ambulance, causing some damage but injuring no one.

Stimple was cited for the mishap and sentenced to 30 days in jail by Judge F. W. Wilson.

ASSESSOR WILL ARRIVE MAY 19

County Assessor William L. Tamblyn and deputies will be in Truckee with headquarters at the fire station between May 19 and 23, at which time local taxpayers may declare assessible property and sign statements or receive other assistance desired.

All local veterans desiring to claim their $1,000 exemption may do so during the period designated, as the final date for filing such exemption claims has been set for May 25.

The assessors will be here until noon next Saturday, Tamblyn said.

ROTARIANS MEET AT SUMMIT LODGE

Rotarians from Grass Valley, Nevada City and Truckee met at Donner Summit Lodge on Monday where they heard an interesting address on Mexico and enjoyed a joint-club session of visiting.

Guerdon Ellis of Nevada City was master of ceremonies at the affair which attracted nearly 150 members and guests. A Nevada City quartet rendered vocal selections.

AUTHOR HERE TO STUDY OLD TRAIL

Homer Croy, nationally known author of scores of best selling books and magazine articles, spent two days here this week doing research for his forthcoming story dealing with the Donner Party. He personally is tracing the old Donner Trail from Springfield, Ill., to Sutter's Fort. His most recent book, the history of Will Rogers, will be off the press early in October.

Kenneth E. Lowry, 25, Truckee, was charged with reckless driving after Reno officers reported they spotted his car traveling at a high speed on East Second Street early Sunday.

Baseball Team Here Will Play Nearby Rivals

Initial Turnout for Practice Assurance on Local Interest

Truckee will definitely have a baseball team again this season, in spite of the fact that the locals are on a leave of absence from the Placer-Nevada League.

At the practice called last Sunday afternoon, 14 potential players turned out on a "brisk" afternoon. They showed such promise that another session has been called at the diamond for next Sunday at 1 p.m. Current plans call for organization of a separate Truckee Baseball Club, independent of but in cooperation with the Truckee 20-30 Club.

John Rau, who managed the team last year and is in charge at least until more definite organization is accomplished, has announced a tentative line-up of games, opening with an all-Truckee contest against the high school Sunday, May 24.

Other games already dated are with Fallon, there May 31 and here June 14; Yerington, there June 7, here June 21. Games are promised with Verdi, Colfax and Threkel's of Reno, although no dates have been arranged. In addition, there are excellent possibilities of games with Hawthorne, Carson City, Lovelock and Herlong.

Rau emphasized that this schedule is tentative, depending upon league commitments of teams involved.

HUMBERT CIARDELLA DRAWS HELENA FOR NEW CRUISE IN NAVY

BREMERTON, Wash.— Among the men recently assigned to the heavy cruiser USS Helena for duty was Humbert J. Ciardella, aerographer's mate third class, USN, son of Mr. and Mrs. H. Ciardella of Truckee, Calif.

These crew members are replacing the men that have been transferred or released from active duty aboard the first heavy cruiser to complete three tours of duty in the Korean area. The Helena is undergoing a shipyard period here.

NAVY VETERAN HURT ON 'CYCLE

Allan R. Ohlinger, 21, Seattle, is in critical condition in a Reno hospital where he was taken by a passing motorist after his motorcycle left the highway and was wrecked six miles east of here Monday morning at 2 o'clock. The victim is in the Navy. Patrolman Martin Sturcke investigated.

PARENTS OF LOCAL WOMAN IN ENGLAND

Mrs. G. E. Lewis has received word from her parents, Mr. and Mrs. Reginald Meeker of Reno, announcing that they boarded the liner SS Queen Elizabeth at New York after an airplane flight across the United States, and will attend the Coronation ceremonies in London before returning home.

FORMER TRUCKEE COUPLE MARRIED

Friends here have just learned of the marriage last month of Mrs. Violet Burke and H. B. (Bob) Fowler, both former residents of Truckee. Mrs. Fowler is a sister of B. W. Reynolds of Truckee and was employed here a few years ago. Fowler was a former sergeant of the highway patrol.

The couple are making their home at Placerville.

DR. AFFELDT, BRIDE LOCAL VISITORS

Dr. Robert Affeldt, accompanied by his bride of ten months, stopped to see local friends, en route from Oklahoma to his new base. Dr. Affeldt is now a lieutenant in the U. S. Air Force and is well known here, where he practiced dentistry before entering the service last summer.

Sun Beams

by WALTER BARRETT

Hospitals of the nation have this year enlarged the annual observance of National Hospital Day, for the past quarter-century observed on the anniversary of Florence Nightingale's birth, May 12, to the entire week—May 10 to 16. This is the first time in many years this area has been in a position to participate in this national program, but with its new, modern hospital, the area can now take just pride in the accomplishment of years of effort in presenting for inspection and admiration its Tahoe Forest Hospital. On another page of the Sierra Sun today is a brief summary and report showing the year's progress and development, and it will be of interest to every taxpayer and resident to scan this message. We believe our hospital to be a great asset to the entire region and well worthy of the support it has earned. While you may or may not always agree with all the policies, you must admit that the construction and fitting out of the beautiful local hospital filled a need long felt in the region. It is an institution in which we can all take just pride.

Occasionally it seems opportune to repeat a statement which we have made many times before—it is that in editing a newspaper we do not make the news, we simply attempt to report facts as we see them, without prejudice or bias.

GLEN WALL, ONCE LOCAL RESIDENT, DIES AT OAKLAND

After being ill for a year, Glen Wall, former Truckee resident, expired in the Civic Center Hospital in Oakland on Sunday, May 3.

Funeral services were held last Thursday at Welti Funeral Parlor in Santa Rosa, with inurnment at the Chapel of the Chimes in Santa Rosa.

Wall was a native of Missouri and is survived by his wife, Mrs. Mildred Wall; two children, Anthony Alan and Glenda Lee Wall; his father, N. P. Wall, Versailles, Mo.; a sister, Mrs. L. R. Williams, Enid, Okla., and a brother, Clarence Wall of Sacramento. The sincere sympathy of the many friends of the family here is extended to the bereaved.

STUDENTS FETED BY 20-30 GROUP

The Truckee 20-30 Club, meeting at Brown's Cafe last night, was host to the male contingent of the graduating class of the local high school. Songs were sung and District Governor Harvey Hocker showed home movies. President Bill Frey presided.

GEORGE CARSON DIES IN BAY AREA

George Carson, 68, passed away in San Francisco, following a prolonged illness, according to word received by local friends.

The deceased was retired in 1945 after serving since August, 1909 with the Southern Pacific water service at Truckee. Since his retirement he had resided in the bay city. A native of Northern Ireland, he was active in lodge work while living here.

SAFETY POSTER AWARDS MADE

Francie Ann McGwinn, member of the Brownies, and Linda Loynd of the Girl Scouts were judged winners of the Wyethia Club safety poster contest by Highway Patrolman Carroll Maynard and their drawings may be seen in the Sierra Sun office window this week.

A parade of the groups will be held Saturday morning, May 16, when awards will be presented.

GIVEN LICENSES

SACRAMENTO —(CNS)— D. D. Watson, state real estate commissioner, has announced the issuance of real estate salesman licences to Major Ernest Jones and Willadene F. Jones, West Hwy. 40, Truckee.

Donner District Faces Problem With Sanitation

Residents Seeking Suitable Solution to Sewer Problems

The rapid development of the Donner Lake area as a home and business community has led to a stubborn problem which is confronting not only the property owners of the district, but the Nevada County board of supervisors and other state and county officials. That is, an adequate sanitation program.

H. G. Loehr, chairman of the board of supervisors, said the matter will be discussed with a view to solving the question at a meeting of the board next Wednesday.

In the meantime, Lee Nisbet, who represents the Donner Lake Development Company and the Armstrong Realty Company, largest owners of property in the affected area, says he recognizes the need for adequate laws and rules, and proposes that a joint meeting of the various agencies, including the division of housing, the district pollution board, county supervisors and property owners, be held for a complete discussion and to frame a suitable solution.

Proposes District

Nisbet said he believes the ultimate solution may rest in the formation of a sewage district, but pointed out that the assessed valuation of the area virtually prohibits any major development without support from the state, county or federal government. He indicated his firm, as well as other business concerns and individuals of the growing community, are willing to abide by any rules set forth which will eliminate any possible pollution and said that for the most part disposal units have received official approval.

The steady growth of the area, he added, is creating a situation which must be corrected and he said that all those whom he has contacted expressed a willingness to follow the dictates of an authorized agency or the ruling of representatives of all agencies governing the matter.

C. Edmunds, member of the Lahontan District of the State Pollution Board, said his group will meet during the coming month and at that time will make a thorough study of the situation and that some definite action must be expected.

State Suggestion

The matter, pending for some time, was brought to a head at a meeting of the board of supervisors last week by T. L. O'Brien, area supervisor for the division of housing, whose department holds jurisdiction only over motels, hotels or business places. He warned the supervisors, however, that some action must be taken with regard to all places of habitation or that serious trouble may result.

He termed the sanitary conditions as inadequate and improper, and at the same time called attention to the fact that because of the ideal setting the region is certain to continue to develop.

Wants Organization

O'Brien urged the organization of an adequate county planning commission, the employment of a sanitation expert or the enactment of strong land use statutes.

Loehr said he is uncertain just what action the board will take on the matter but promised full cooperation in bringing the matter to a satisfactory conclusion.

THREE INJURED AS CAR WRECKED

Three passengers in a car driven by J. D. Porter, 29, Redwood City, were injured last Wednesday when the vehicle was wrecked ten miles east of Truckee. The driver was cited by Patrolman Carroll Maynard for being on the wrong side of the road and not having the car under control.

Injured were A. D. Porter, Mable Taylor and Kenneth Taylor, all of Redwood City.

In the Army—

Ned, son of Mr. and Mrs. J. R. Stuart, is now a private in the infantry, curently stationed at Fort Ord.

Ski Ace Injured As Motorcycle, Car In Collision

Word from Concord early this week regarding the condition of Dick Buek, internationally known skier and son of Mr. and Mrs. Carl Buek of Soda Springs, seriously injured in a motorcycle - auto crash last Wednesday, was encouraging, although his condition is still far from good.

The youthful 1952 Olympic Games skier suffered fractures of one arm and one leg and serious internal injuries when his motorcycle collided with a car near Concord.

The internal injuries Monday were reported to be much improved and his mother and father and sister, Jean, who had been at his bedside, returned to their bay area home. He had been given five blood transfusions.

Young Buek is widely known throughout the country as one of California's leading competitive skiers and has participated in most of the outstanding events during the past few years.

CHAMBER'S DAWN PATROL WILL BE ACTIVE ON FRIDAY

The Truckee Chamber of Commerce is again calling for volunteesr for its "dawn patrol" to sweep down the main business block.

President Cliff Ellis is asking for volunteers to turn out Friday morning at 5 a.m. to help with the detail. The more who turn out, the quicker and easier the job will be. However, if various businessmen do not feel they can make the early call they are requested to see that the sidewalk in front of their own places is swept Thursday night. This will be considerable help to the early birds, Ellis said.

After the clean-up tomorrow, new refuse cans will be placed along the main street. These will be to receive debris that normally accumulates along the street and are not intended to serve as trash receptacles for the numerous business houses that line the block, Ellis emphasized.

ROLL CALL FOR KNIGHTS PROVES TO BE SUCCESS

The revival of the annual Roll Call of Summit Lodge No. 54, Knights of Pythias, proved to be an outstanding success here Saturday night as members, local residents and visitors from several other California and Nevada lodges filled the Odd Fellows hall.

"Stealing the show" from the local lodge was Zaynab 116, DOKK, of Reno. This colorfully attired drill unit, replete with drummers, formed a guard of honor for Dr. C. H. Kennedy, grand chancellor of Nevada, who came from Elko to attend the local function. The Dokkies were led into the hall by Elmo Granata, former Truckee man now prominent in Reno fraternal and sports circles.

Among the members of Summit Lodge on hand was Nick Spikula, who came from San Leandro to attend his first roll call in 34 years. He left Truckee in 1919 but has maintained his membership in the local lodge over the years.

Mrs. W. M. Englehart Sr. played the piano accompaniment for group singing, led by F. W. Gaiennie. Speakers on the program included E. S. Shaver of Burlingame, grand chancellor of California; Harry Nelson of Lodi, grand lecturer; N. E. Wilson of Reno, past supreme representative.

Two cakes, donated by Alpine Lodge of Fallon, were auctioned and $71.50 was turned over to the local Sunshine Girls' council. Mrs. Pearl Heller, royal advisor, presented the Truckee Sunshine Girls and three members from Lodi, who attended as a unit.

Following the ceremonies, an impromptu parade was staged down the main street with the Dokkies and the grand chancellors of Nevada and California. Flowers were distributed to the ladies present, under the direction of W. M. Englehart Sr., who was chairman of the committee in charge of the Roll Call.

Frank Giovannoni Jr., observed his birthdate on May 11.

Board Reverses Action, Grants Salary Increase

Increase of Five Per Cent For Schools Is Granted

Reversing a previous action taken last month, members of the governing board of Tahoe-Truckee Unified School District on Tuesday voted a five per cent across the board raise for all employees of the district.

The action affects both certified and non-certificated employees.

It means that on top of the usual annual raise, based on qualifications and certification, of $120 for certified employees, another $200 will be added, bringing the total increase for the coming year to $320.

In the non-certificated department, the raise will be a flat five per cent, E. V. O'Rourke, district superintendent, said.

Under the new schedule, the average teacher salary in the district will be $4654, the minimum for certificated teachers being $3940.

HELLER TO HEAD LIONS CLUB FOR COMING TERM

Charles R. Heller was nominated as president of the Truckee Lions Club at last night's meeting. The Truckee variety store owner will succeed Angelo Besio as head of the local organization. Nominations were closed and election will be held early in July.

Other officers named included Earl Stice, first vice president; Floyd V. Carnell, second vice president; Roy Waters, secretary; R. N. Little, treasurer; Howard Newsham, tailtwister; Stanley Songer, Lion tamer. E. V. O'Rourke and Carl Bechdolt were named as directors.

M. L. Jennings, Southern Pacific district superintendent, showed two reels of motion pictures, one of the snow on Donner Summit last year and the other on the recent Bakersfield area earthquakes. Both were highly interesting. Jennings was introduced by James F. Bays, Truckee roadmaster.

Other guests included Bruce Quartley, Mack McNear, George McCormack, Tom Viccari, Barney White, Joseph Mustol and Robert Mayfield.

CHINESE ART TO FEATURE MEET

Tomorrow evening the regular meeting of the Wyethia Club, to be held in edifice, will feature a talk on Chinese art by Lester Miller of Carson City. A traffic safety quiz will immediately follow the serving of the Chinese dinner, which will begin at 7:30 p.m.

MRS. EATON TO OPEN BUNGALOW

Mrs. Harry Eaton announced this week that she will open the Bungalow cafe at the west end of Truckee on Wednesday, May 20. Short orders and lunchs will be served, featuring barbecued sandwiches. In addition, Mrs. Eaton will prepare home-made bakery goods, with emphasis on special order decorated cakes, for which she has gained renown in the area in the past.

DONLAC LODGE TO OPEN SOON

After extensive remodeling and renovation, Tom and Jerrie Bonano have their Donlac Lodge ready for opening on Wednesday, May 20. They are inviting their scores of friends out to the Donner Lake resort, located on the north side of the highway off the west end of the lake, and are preparing special refreshments for them.

Bonano said the place has been enlarged and changed somewhat, and that he would like to hear the comments of his local patrons at the opening.

PTA HELD CARD PARTY MONDAY

A successful card party held at the elementary school concluded the Truckee Elementary PTA activities for this school year Monday night. A short business meeting preceded the games and refreshments were served afterward with the third grade mothers being hostesses.

High scores were held by Mrs. Roxie Archie, bridge; Mrs. Howard Vaughan, canasta; Mrs. Doug Barrett, pinochle. Two cakes were baked by Mrs. Frank Giovannoni and Mrs. John Finnegan and auctioned off.

Mrs. Jessie Hale is at Kings Beach, arriving from Oakland to spend the summer.

NORTH TAHOE

by THELMA BURROUGHS

Just heard that Tom and Theresa Sutton will officially open their Buckhorn bar and dining room on Saturday night, even though they have been operating previously. There will be music and dancing.

Harry Stubley, A. E. Abbott and P. M. Burroughs journeyed to Auburn Wednesday afternoon to attend a Placer County chamber of commerce dinner and business meeting.

A Lake Tahoe-Sierra Chamber of Commerce combination membership and board of director's meeting it to be held this Friday night at Al Tahoe at the south end.

T. B. Healy, engineer with the Pacific Fire Rating Bureau of San Francisco, was up last week for conference with regard to reduction of insurance rates possible for our proposed North Tahoe Fire Protection District. Healy states that a 22 to 28 per cent reduction will be available as soon as the district is formed and proper equipment secured.

A meeting of the North Tahoe Community board of directors tok Community board of directors took place at the real estate office of Harry Stubley at noon last Sunday. A resolution was voted to petition the supervisors and planning commission to pass an ordinance which will require that trailers be parked in trailer courts, rather than all over the community.

A meeting of the North Tahoe Council of Organizations is called for Friday night, May 15, at 8 p.m. in the Kings Beach school house.

Saw Mrs. Bob Hobbs at the Tahoe Forest Hospital last Tuesday. She said she expects to return to her home in Kings Beach this weekend.

Also saw Mrs. A. E. Abbott there. She was taken down Sunday. On Thursday she will celebrate her wedding anniversary in the hospital but expects to be home within a week.

Ralph C. Haun of Merced and his son, Robert C. Haun of Chowchilla were guests of P. R. Murray for a week, returning to their respective homes this Wednesday past. Murray expects to make a trip to Chico Friday for a visit with his relatives before going on back to Merced for a while.

So many places of business are opening up now for the season that the entire lake country takes on a brand new appearance. Everyone with whom I have talked expects a good season. Optimism runs at an all-time high. Working crews are busily engaged in finishing any number of new buildings. With so many newcomers and much additional building, we are reminded constantly of the need for a strict building code which will serve as a protection for both those having building done in a new area and for those already established.

Lake Tahoe apparently is world-known, and I offer as evidence the following, handed to me by Judge Harry Charrison, in whose post office box it turned up recently. "Dear Sir.

"I have the honor most respectful to write you this few letter.

"I am writing to beg you to send me one of your holly bible. I went roman catholic church at Kumair, and i hope that if you receive this letter you will not fail me. If you receive it send to me as early as possible.

"I remain here
Yours Faithfully
J. Owusu
BAISS Avenue
Bantama Kumaei
G.C.B.W. Africa."

Mrs. Tom Thatcher and daughter Sherry Lynn returned to their home at Carnelian Bay last Friday. Mrs. Thatcher (Judy) will carry on the real estate and insurance business established by her late husband.

Dr. Jose Nessim was a Los Angeles visitor last week.

Recommendations for acting post masters at Brockway and Chambers were made at a meeting of the Placer County Republican Central Committee at Auburn last week.

Incidentally, it has been reported to me that the Truckee-Brockway short cut is again open to travel.

o

ADVERTISING DOESN'T COST—IT PAYS!

PACIFIC TELEPHONE'S NEW DIAL CENTRAL OFFICE AT TALLAC, part of the $307,000 conversion project that will bring dial telephone service to that Tahoe area community before the end of the year. The building, unusual for telephone structures, features an aluminum roof and sidings, both for the purpose of enduring the climate and to economize on maintenance. The unique use of aluminum is part of Pacific Telephone's plan to keep operating costs down, according to Manager H. J. Newsham, Truckee.

ROBERT M. GILMORE, who has just been named assistant vice president of system passenger traffic for Southern Pacific. Gilmore is one of the west's most widely known railroad passenger officers. He started with SP as an office boy in 1916 and advanced through various traffic positions.

Colton Hall in Monterey was the ... of California's first constitutional convention in 1849.

o

...U A SUNSCRIBER?

VETERAN IS INJURED IN CAR ACCIDENT

When a car he was driving skidded and overturned on the highway nine miles east of Truckee at 2:15 a.m. on May 1. Felix Ortega, 34, Herlong, suffered injuries which sent him to the veterans hospital at Reno for treatment. The accident was investigated by Patrolman William Gautsche.

No one was injured when cars driven by John W. Davis, 21, of Ukiah and S. E. Carossos, 39, Dixon, collided just west of the foot on Donner Grade at 10 o'clock on the night of April 30. Patrolman Martin Sturcke and Sgt. Frank Smith cited Carossos for being on the wrong side of the road.

o

SUPERVISORS O. K. TAHOE REZONING

AUBURN— Placer County supervisors accepted the recommendation of the county planning commission and reclassified a portion of the Carnelian Bay area from residential to multiple purpose and commercial zones. Twenty three lots are covered in the area.

The original request was made by a group headed by Elston R. Garrow. No protestants appeared at the public hearing.

KNIGHT TO BE ACTING GOVERNOR WHILE WARREN IS ABROAD

SACRAMENTO— On May 24, Lieut. Governor Goodwin J. Knight is slated to again take over the reins as governor for two weeks. Governor Earl Warren has been designated by President Eisenhower to help represent the United States at the coronation of Queen Elizabeth II in England and he is due to leave on that date.

It will be nothing new for the lieutenant governor to assume this responsibility. He has filled in for the governor 56 times previously during his six years as California's "deputy" chief executive.

This time, the task presents a few new problems. With a single exception, Knight's former stints as acting governor have been, in the main, routine. He has carefully avoided usurping any of the prerogatives of the governor, such as appointment of judges or other officials where vacancies exist, or passing on any matters of state policy.

Timing is what offers complication to Knight's 57th "term" as governor.

The legislature is due to wind up its current session about June 10. In past sessions, a veritable flood of proposed new laws hits the governor's desk in the closing days of the session.

The California state constitution gives the governor 30 days in which to act on bills reaching him during the last 10 days of the session. Hence, any bills adopted June 1 or later can wait Warren's return, scheduled around June 8, but measures hitting the desk between the time the governor leaves and June 1 will be up to the lieutenant governor.

In the one instance where he was called up to take non-routine executive action as acting governor, Knight aquitted himself with firmness and fairness.

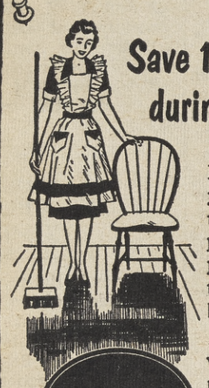

In 1948, Warren was absent campaigning for vice president when violence flared up in an oil workers strike in Contra Costa County. It became evident local action was not sufficient for public safety so the acting governor sent a contingent of the state highway patrol into the area with orders to maintain law and order of the highways. No one's rights were impaired and violence subsided within 24 hours. Strike activities were carried on to a peaceful and orderly conclusion thereafter.

His extensive knowledge of the state and its problems indicate Knight is fully capable of assuming the responsibility during the absence of the governor.

WEATHER REPORT FOR WEEK

TAHOE CITY— Unsettled weather May 5, 6 and 8 deposited two inches of snow here, with .16 of an inch precipitation, but little or no sign of it remained by Monday at 8 a.m., according to the weekly report by A. E. Frodenberg, official observer. The lake level at that time was 6228.22 feet with all outlet gates closed.

Daily high and low temperatures for the period of the report were May 4th: 60, 29; 5th: 61, 27; 6th: 59, 33; 7th: 46, 29; 8th: 38, 27; 9th: 47, 22; 10th: 44, 23; 11th: low 25.

COUNTY SEAT

In 1866 Havilah was the first county seat of Kern County.

CRYSTAL CREAMERY

KITCHEN TIPS

FROM THE CRYSTAL MAID

Cake and ice cream . . . what could be more American in the way of dessert! To most of us it will always go with good times—Sunday school picnics, birthdays, socials and parties! Keep up the tradition and make memories for your children. This month make if Crystal's Lemon Custard Ice Cream and Mrs. Landers' prize-winning cake. A winning combination!

Mrs. Walter Landers, of Vallejo Way, Sacramento, gives a recipe for a cake that's easy to make and a topping that's baked on. We think you'll enjoy making it and are awarding Mrs. Landers a $5.00 package of Crystal Dairy Foods.

SOUR CREAM CAKE

Mix in a bowl:
1 cup sour Crystal Whipping Cream (To sour put 4 tsp. lemon juice in measuring cup, add cream)
1 egg
½ tsp. soda
Sift together 3 times:
1 cup sugar
1½ cup sifted flour
1½ tsp. baking powder
⅛ tsp. salt

Add these sifted ingredients to the first mixture and beat well. Stir in ½ tsp. vanilla. Bake in an 8 inch square pan at 350° for 30 minutes or until it springs back to the touch. Remove from oven and cover with topping. Put this on gently, as cake is delicate. Brown under low flame in broiler. Watch carefully to avoid burning.

CAKE TOPPING

½ cup brown sugar
2 Tbs. melted Crystal Butter
2 Tbs. Crystal Cream
½ cup chopped walnuts (or other nut meats)
½ cup cocoanut

The sunny flavor of tree-ripened lemons has been captured for you in the yellow, yummy Crystal Lemon Custard Ice Cream. It's the flavor-of-the-month, so serve it often these May days.

* * *

To keep the bowl from slipping when you're beating or stirring ingredients, place it on a wet, folded cloth.

* * *

Have you ever served coconut waffles? Pour batter on iron in usual manner, then sprinkle 1 or 2 tablespoons shredded coconut over batter. Close iron and bake. Serve with plenty of golden Crystal Butter. It has prize-winning flavor because it's "REALLY farm fresh."

* * *

Cinnamon Buns: Roll biscuit dough ¼ inch thick. Spread generously with softened Crystal Butter. Sprinkle with brown sugar, then lightly with cinnamon. Roll like a jelly roll; cut in slices. Place on a greased cookie sheet and bake at 475° 15-20 minutes.

WOMEN'S CLUB SETS JULY 25 DATE FOR ITS BIG BAZAAR

TAHOE CITY— The Lake Tahoe Women's Club held its regular meeting in the community hall here last Thursday afternoon, beginning with a mid-day luncheon at 1 o'clock. Hostesses were Dorothy Bury and Izzy Porter. Twenty-three members attended and a short business meeting followed the luncheon, with Blanche Donaldson, president, in charge.

Secretary Louise Geier read the minutes of the last meeting and the president announced that the women's club's annual bazaar is scheduled to be held in the Tahoe City Community Hall on Saturday, July 25. It will open at 9:30 a.m. and continue throughout the day and evening.

Home-canned goods, cakes, pies and special dishes will be sold from the various booths, as will the hand work the women have been making throughout the past winter. A major attraction at the bazaar will be a beautiful silk-and-wool stole, hand made by Mrs. Gerda Kvistberg of Sunnyside, which some fortunate patron will take home. It is hoped that the money from these sales may increase the club's building fund which the women are now saving toward the construction of a new club house.

The women discussed at the meeting the possibility of a club house to be erected on the lakeshore commons, in case the commons property might be secured for that purpose. A building committee, the wives of two building contractors, was appointed to get an estimate on the cost of the type and size of the building desired.

Miss Florence Vernon was appointed as a committee of one to attend a Tahoe City Public Utility District meeting being held here thsi week and to inquire concerning the club's possible use of the commons property. The committees are to report their findings at the club's next meeting.

Under new business, the nominating committee reported at this meeting the nominees for officers for the ensuing term. For president, Mrs. Pearl Snyder and Mrs. Alma Guth were nominated but Mrs. Snyder withdrew her name. Mrs. Stella Watson was nominated for vice president; Mrs. Lucille Ball for treasurer; Mrs. Gladys Anderson for recording secretary; Mrs. Martha Snyder for corresponding secretary. The election will be held at the May 21 meeting.

TAHOE LIKELY SITE FOR 1955 LIONS DISTRICT SESSIONS

KINGS BEACH— The annual convention of the 4-A District of Lions International was attended by Walter Mandeville, first vice president, and Lee Madden, secretary-treasurer of the Lake Tahoe Lions Club.

The major activities of the annual convention were the election of a district governor for the coming year, the district elimination contest of the Lions' Speakers' Contest and the many benefits the newer clubs can gain by meetings with officers of other Lions Clubs.

Especially pleased were the representatives of the Lake Tahoe Lions Club, who returned with the good news that Dr. Cy Kerrin had been elected the District Governor for the coming year. Kerrin had organized the Lake Tahoe Lions.

The convention was held recently at Hoberg's Resort in Lake County and was attended by approximately 500 people.

Acting as a two-man chamber of commerce delegation, Madden and Mandeville proposed at the convention's business meeting that the convention be held at Lake Tahoe in 1954. This proposal, after a one-day campaign(was well received by a little more than a one-third vote of the district club members. Since this convention was the first at which the Lake Tahoe Club has ever been represented, Mandeville and Madden are confident that Lake Tahoe may become the 1955 convention resort.

Mrs. Madden and Mrs. Mandeville accompanied their husbands to Hoberg's.

ROTARIANS RELATE "HOW COME" THEY CAME TO LAKE

TAHOE CITY— The meeting of the Tahoe City Rotary Club without a pre-arranged program the night of May 5, was highly entertaining in the opinion of visiting Rotarians.

So many members had attended the district conference at Elko that the usual after-dinner program had not been arranged. With six "make up" Rotarians and two visitors, President Denis Sach determined there must be something more than dinner. When time for the entertainment came, he called upon three members to make brief talks on their lifes' historiy and why they had come to make Lake Tahoe their permanent residence.

William Jenkinson, in his adult years, had been engaged in commercial salmon fishing in Alaska. Leaving the north, he and his wife, Anita, looked for a snow country for ski sports.

Howard Guth had a most unexpected reason for settling here. He had been a travleing salesman. Visiting Tahoe City in mid-winter he witnessed the large pine tree in the center of the highway, all lighted up for Christmas. He said that sight was so impressive he decided to change his vocation and become a resort operator.

Constable Harry Johanson was to have been the third speaker but was excused due to an emergency telephone call.

Visiting Rotarians were Wallace Breuner, Oakland; Mirl H. Simmons, Susanville; Carl Spatz, Studio City; Chas. L. Black, Lodi; Sam Faulkner, Brockway; Charles B. Cross, Truckee Rotary. All said it was an ideal program. Cross had as his guest his son, Charles Jr. and Bill Jenkinson had his father, L. H. Jenkinson of Oakland.

N. Y. APPLES

New York was the second ranking producer of commercial apples in the U. S. in 1952.

STEPHANIE SNYDER FETED AT BIRTHDAY PARTY

TAHOE CITY— At the Lake Forest home of Mr. and Mrs. D. L. Snyder, a birthday party was held on May 2 for the Snyders' younger daughter, Stephanie, aged five. A musical cake plate formed the centerpiece, beautifully decorated in pink and yellow and holding five candles. An individual cupcake was set at the plate of each child, with a candle in its center for blowing out at the proper time. A colorful head dress was placed on the head of each young guest and each was given a noisemaker to blow, as well as being presented with a play wrist watch and ring set, with compass.

The children were served with ice cream and chocolate milk. After refreshments games were played and the prize of the afternoon was won by Susan Wright. The child guests present were Kaylee Grahn, Susan Wright, Cathy Conners, Ann Marie Conners, Julianne Bechdolt, Jayne Shontz, Steve Korich, Daniel Pomin, Tommie Kuhkala, Gregory Moore, Donnie Bury, Sandra Snyder and the honoree.

Personal instruction is the first step in Janet Gray's thorough on-the-job training as an operator.

JANET GRAY—NEW "VOICE WITH A SMILE"

Like many other young graduates, she'll soon be stepping into her telephone future

Janet Gray might be any of hundreds of young women—from high schools, colleges and commercial schools—who will start telephone careers in the coming weeks. For Janet and her new colleagues, it's a big event. They'll have many interesting types of jobs to choose from, they'll be paid full salaries while they learn their jobs. And they can count on frequent raises. For Janet, the opportunities to advance are excellent. Because women are important in our business...many hold management jobs.

Thousands of telephone people promoted last year

Last year, several thousand telephone men and women here in the Pacific West were promoted to better, more responsible jobs. Making sure we always have a well-trained force of men and women on the job is one more way we insure good telephone service for you.

YOUR TELEPHONE IS ONE OF TODAY'S BEST BARGAINS

Many young men, too, will be starting telephone careers in the next few months. Their skill and experience will grow through training and actual work on different telephone jobs. **And, when** qualified, they'll be eligible for promotion to more responsible positions. For it's **tradition** in our business to choose tomorrow's **telephone** executives from among the young men starting their telephone careers now.

Pacific Telephone

PROCEEDINGS OF THE BOARD OF SUPERVISORS FOR MONTH OF MAY, 1953

May 1, 1953

The regular monthly meeting of the Board of Supervisors of the County of Nevada, State of California, convened at 10:00 a.m. There were presented and answered to their names the following:-

Supervisors Curtis R. Clark, John L. Frank, J. C. Coughlan, Guy N. Robinson, Henry G. Loehr.

Supervisors Absent:- None.

The minutes of the meetings of April 17, 22, and 28 were read by the Clerk and no errors or omissions being noted, the same were ordered adopted as read.

On motion duly made, seconded and carried, it is ordered that the minutes of the proceedings of this Board, for the month of May be printed in the Sierra Sun at Truckee.

On motion of Supervisor Robinson, seconded by Supervisor Coughlan and unanimously carried, it is ordered that the sum of $600 be transferred from Unbudgeted Reserve to General Refunds for the payment of refunds on taxes.

The members of the Board then proceeded to examine the monthly bills presented by the County Auditor's Office and after satisfying themselves that all bills presented were a legal charge against the county, the following were approved for payment:-

GENERAL FUND:- Warrants Nos. 15333 to 16810 — $118,241.78

SPECIAL ROAD IMPROVEMENT FUND:- Warrants 1051 to 1159 — $21,301.27

VETERANS BUILDING FUND:- Warrants Nos. 125 to 147 - $6,967.54

GENERAL ROAD FUND:- Warrants Nos. 33 to 37 — $5,911.98

On motion of Supervisor Coughlan, seconded by Supervisor Robinson and unanimously carried, it ordered that the sum of $25,000 be transferred from the Special Road Improvement Fund to the Veterans Building Fund to repay a loan made on February 2, 1953.

On motion of Supervisor Coughlan, seconded by Supervisor Frank and unanimously carried, it is ordered that the following sums be added to the Road Budget:- Under Code No. 561-S, the sum of $6,655-.22 and under Code No. 561-M, the sum of $6,890.41.

The Board adjourned at 12:00 noon and returned into session at 1:42 p.m. The presence of all members is noted.

Mr. William Clayton, a representative of the State Chamber of Commerce at Sacramento, appeared before the Board and stated that he was making his annual visit to the members of the Board of Supervisors of Northern California. He explained the State Chamber of Commerce Highway Program and the Tax Program. He also stated to the Board that it is hoped that the Board of Supervisors of Nevada County will continue to subscribe to membership in the state organization.

On motion of Supervisor Coughlan, seconded by Supervisor Robinson and unanimously carried, County Clerk R. E. Deeble, Supervisors Curtis R. Clark, and John L. Frank were granted permission to attend a meeting in Placerville on Friday, May 8, 1953. The purpose of the meeting is to discuss with members of the Board of Supervisors, County Assessors and County Auditors in the intercounty equalization problem progress, budget hearings, and related subjects. The expense of said trip shall become a proper county charge and will be paid out of the General Fund.

On motion of Supervisor Clark, seconded by Supervisor Frank and unanimously carried, it is ordered that permission be granted to Supervisor Guy N. Robinson to attend a committee meeting of the Supervisors Association of California at San Francisco on Tuesday, May 5, 1953, and it is further ordered that the expenses in connection with said attendance shall become a proper county charge.

The State of California, through the Department of Natural Resources, Division of Forestry, presented a proposed County Cooperative Fire Protection agreement between the State of California and the County of Nevada for the fiscal year 1953-54, for $5,443.

Mr. Fred Dunow, Deputy State Forester also presented and explained to the Board the increase in the new agreement. No action was taken at this meeting of the Board, it being ordered by the Chairman that the matter be tabled and will be brought up for consideration in the meeting of May 6.

The hour of 2 o'clock having arrived and this being the day and hour set for the consideration of the appointment of the County Superintendent of Schools to replace Miss Genevive Kent who has filed her resignation with this Board.

The Clerk read a letter signed by Mrs. Doris Foley in which she announced to the Board that she was withdrawing her application for the appointment. The Clerk also read a letter from Mr. Melville O. Johns in which he requested that the Board consider his application for the appointment.

A letter was read to the Board signed by R. Lee Ross in which he stated that some clouds have been cast upon the validity of his credentials, he was offering to withdraw his application for the appointment as Superintendent of Schools until such a time as the clouds on the validity of his credentials is lifted.

Mr. Melville O. Johns appeared before the Board and explained in a short statement to the Board his Educational Philosophy. Members of the Board interrogated Mr. Johns upon certain matters in connection with school work.

On motion of Supervisor Coughlan, seconded by Supervisor Robinson and unanimously carried, the Board ordered that the consideration of the appointment of a Superintendent of Schools be discontinued until May 6, 1953 at 11:00 a.m.

The Board discussed Ordinance No. 139, which is an ordinance regulating discharge and sale of fireworks in Nevada County. The Grass Valley Chamber of Commerce is recommending its repeal on the ground that a general state law is much the better. On motion of Supervisor Frank, seconded by Supervisor Coughlan, and unanimously carried, the Board adopted Ordinance No. 187 repealing Ordinance No. 139, as follows:

ORDINANCE No. 187

THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA, DO ORDAIN AS FOLLOWS:

Ordinance No. 139 entitled "An Ordinance Regulating the Discharge and Sale of Fireworks in the County of Nevada, and Providing a Penalty for the Violation of Such Regulation," adopted by the Board of Supervisors on May 4, 1938, is hereby repealed.

This ordinance shall take effect 30 days from and after its adoption, and before the expiration of 15 days after its adoption, it shall be published once with the names of the members voting for or against the same, in THE NEVADA CITY NUGGET, a newspaper of general circulation, published in Nevada County.

PASSED AND ADOPTED this 1st day of May, 1953, by the following vote:

SUPERVISORS VOTING AYE: Curtis R. Clark, John L. Frank, J. C. Coughlan, Guy N. Robinson, Henry G. Loehr.

SUPERVISORS VOTING NO: NONE.

SUPERVISORS ABSENT: NONE.

W. W. Esterly appeared before the Board with a map of Ridge Estate Subdivisions. Mr. Esterly explained to the Board that he is having the roads in this Subdivision made according to county specifications. He stated that had it not been for the inclement weather, the road system would have been completed. Mr. Esterly expects that the road system in the Ridge Estates Tract will be completed in a very short time. He asked the Board to take this road system into the County Road System when it is completed and approved by the Road Commissioner. The Supervisors declined to take any action in this matter in the absence of the District Attorney, and the matter was not again brought up at this meeting.

Miss Elma Hecker, County Tax Collector, appeared before the Board and gave notice that it is her intention to sell at public auction certain described property which has been deeded to the State for nonpayment of delinquent taxes. There being no objection on the part of the members of the Board to sell the property, the Board proceeded to adopt the following resolution:

RESOLUTION

IN THE MATTER OF THE SALE OF TAX DEEDED PROPERTY BY THE COUNTY TAX COLLECTOR

Pursuant to a notice of intention to sell at public auction certain tax deeded properties and request for approval thereof filed with this Board of Supervisors by the Tax Collector of Nevada County, May 1, 1953, it is resolved that approval be and it is hereby granted for said sale as set forth in the said notice and the said tax collector is hereby directed to sell the property as provided by law for a sum not less than the minimum price set forth in this resolution.

The parcel or parcels of property that are the subject of this resolution are deeded to the State of California for delinquent taxes and are situated in the County of Nevada, State of California, being more particularly described as follows:

Sold to the State August 29, 1933, for taxes of 1932, Sale No. 223½. Deeded to the State August 31, 1938, Deed No. 21.

Recorded in Volume 21 of Official Records, Page 458, Records of Nevada County.

Description of Property:- Lots 5 and 8 Sec. 7, Twp. 18, N.R. 18E. Mt. D.B. and M. lying E of Railroad containing 60 acres—Lots 2-6-7-10-11-12-13 N½ of Lot 14 and Lots 16 and 17 of Sec. 18, Twp. N.R. 18E. Mt. D.B. and M. containing 460.77 acres.

Minimum Price $700.00.

On motion of Supervisor Coughlan, seconded by Supervisor Robinson and unanimously carried, Mr. Samuel J. Garner of Washington and Mrs. Amelia A. Cunningham of North San Juan were duly appointed members of the Board of Trustees of the Nevada Cemetery District.

On motion of Supervisor Clark, seconded by Supervisor Frank and unanimously carried, the Board voted to propose the name of Mr. Clyde Renfrow to the Governor of California for the appointment to the vacancy on the Nevada County Rent Control Board.

Mr. John E. Nettell, Nevada County Recorder, appeared before the Board and requested that the Board include in the next annual budget a sum sufficient to permit him to attend the National Convention of County Recorders which will be held this year in Boston, Massachusetts. The Board interrogated Mr. Nettell in some length as to the cost of the proposed trip, and stated that they will give some thought to the matter, and will notify him in sufficient time if the Board decides to allow him to make this trip.

The Clerk notified the Board of Supervisors that he had received from Judge Snell a copy of a resolution adopted by the Grand Jury of Nevada County favoring the salary increases of the superior judge from $10,400 per annum to $13,500 per annum.

A letter was read to the Board signed by the members of the Board fo Trustees of the Lime Kiln District in which they voice their objections to the location of a medium security prison at the Lime Kiln Ranch.

A petition was handed to the Board signed by 62 land owners residing in Western Nevada County who are opposed to the proposed location of the proposed medium security state prison at the Lime Kiln Ranch or in that general vicinity. The chairman ordered the petition filed for future reference.

A letter was read from Mr. Robert Amlin in which he notified the Board of Supervisors that he was resigning as a member of the Board of Directors of the Nevada Irrigation District.

A letter was read to the Board from the Grass Valley Chamber of Commerce in which it was stated that the Grass Valley Chamber of Commerce would appreciate it very much if a representative of the Board of Supervisors was present at a meeting of the Highway 20 Association at Marysville on Sunday, May 3, 1953.

A letter was read to the Board from the Tri-County Building and Construction Council of California of Placer, Nevada, and El Dorado Counties, stating that this Council went on record as endorsing the building of a medium security prison camp in Nevada County.

A letter was read to the Board from the Nevada County Taxpayers Association in which they enclosed a copy of a resolution adopted by that group opposing any general salary raises of Nevada County and Special District Employees, and, including the school districts. The resolution was ordered filed.

The Clerk informed the Board that he had received a letter from the Veterans Service Officers in which it was stated that Doris M. Noble has tendered her resignation as Assistant Veterans County Service Officer effective May 1, 1953, and that the Veterans Service Officer had informed him that he was not accepting any applications for replacement of Mrs. Noble because he feels that the office can efficiently operate with one assistant.

The Welfare Director was called in and he rendered his report of the Welfare Department for the month of April. New applications, increases, decreases, supplementals, discontinuances, finds of liability of responsible relatives, new applications in the three categorical aids were approved as presented in the written report which was ordered filed in the file of the Board of Supervisors.

No further business to come before the Board at this meeting, adjournment was taken at 4:40 p.m. until Wednesday, the 6 day of May 1953, at 10:00 a.m.

R. E. DEEBLE
County Clerk and Ex-Officio Clerk of the Board of Supervisors.

In the Superior Court of the State of California in and for the County of Nevada

BOY IS INJURED IN FREAK CISCO ACCIDENT

In a freak accident near Cisco, Earl Case Jr., seven, son of Mr. and Mrs. Earl Case of Represa, suffered major injuries.

A large rock rolled from the rain-softened bank and struck the front wheels of the car driven by Case. The car swerved and landed in the Yuba River but did not overturn. The boy was thrown through the windshield and his head struck a rock.

HOOVER VETOES

During his term as president, Herbert Hoover vetoed 35 bills.

NOTICE TO INTERESTED TAXPAYERS

The preliminary budget for the Truckee Fire District for the period July 1, 1953 to June 30, 1954 has been adopted by the Fire Commissioners of the Truckee Fire District, said budget being,

Maintenance and Operation	$3,880.00
Capital Outlay	1,000.00
Total	$4,880.00

Said budget is available at the office of R. N. Little, Truckee, Nevada County, California for inspection by interested taxpayers.

The Fire Commissioners of the Truckee Fire District will meet at the office of R. N. Little, Truckee, Nevada County, California at 10:00 a.m. on June 16, 1953 for the purpose of fixing the final budget for the District. At that time and place any interested taxpayer may appear and be heard in regard to the increase, decrease or omission of any item of the budget or for the inclusion of additional items.

R. N. LITTLE, Secretary,
Truckee Fire District Fire Commissioners.

NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

Dated May 14th, 1953

Whereas, I was on the 1st day May, 1953 directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated May 6th, 1953) to sell at public auction, for cash in lawful money of the United States, certain tax deeded property, public notice is hereby given that unless the said property is redeemed or an installment plan of redemption is initiated, as provided by law, I will on the 8th day of June, 1953, at the hour of 2 o'clock P. M. in the Tax Collector's Office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said property for a sum not less than the minimum price or prices set forth in this notice.

The parcel or parcels of property that are subject of this notice are situated in the County of Nevada, State of California, and are described as follows:

(Description)

Lots 5 and 8 of Sec. 7, Twp. 18, N. R. 18 E. Mt. D. B. and M. lying E of Railroad containing 60 acres; Lots 2-6-7-10-11-12-13 N½ of Lot 14 and Lots 16 and 17 of Sec. 18, Twp. 18 N. R. 18 E. Mt. D. B. and M. containing 460.77 acres.

Last assessee: D. C. Wheeler, Inc.
Minimum Price: $700.00.

If redemption of the property or the initiation of an installment plan of redemption is not made according to law before the first bid is received, the right of redemption will cease.

MISS ELMA HECKER
Tax Collector of Nevada County, State of California.

CHRISTMAS TREE PLANTATIONS PLAN ADVANCED

BERKELEY— Growing Christmas trees in a plantation is no easier than growing many other specialty crops, but it has definite advantages over the natural forest stand, Woodbridge Metcalf and Rudolph F. Grah, associate professor of forestry and extension forester respectively of the University of California College of Agriculture, reported recently.

These advantages include better quality trees, brown in a shorter time; trees can be grown closer to market; heavy snows do not block cutting and transportation; early cutting and long storage are unnecessary; and plantation trees may be left uncut for a better market.

According to the two experts, the best location for a Christmas tree farm is on land where the desired species have been found growing in the original forest. Douglas fir, which represents the bulk of the Christmas tree production in he west, may be grown in the coastal counties from Monterey and in the lower Sierra areas from Tuolumne northward.

White fir, the second most popular tree, grows on cooler north and east sites throughout the Sierra forests at elevations of 2600 to 6000 feet. The popular California rde fir, or silvertip, is not found naturally lower than about 5500 feet.

Most California soils are generally fertile enough for the growing of conifers, according to Metcalf and Grah, but a soil depth of two or more feet is desirable. Annual rainfall should be at least 24 inches supplemented by irrigation during the first two years after planting.

Raising Christmas trees is big business and Californians spend between five and seven million dollars annually for 2½ million trees.

ARCTIC WEATHER

In the Alaskan Arctic plains region, extreme summer and winter temperatures have been recorded as 66 degrees above and 54 degrees below, respectively.

FLORISTON ACRES UP FOR BID AT COUNTY TAX SALE

Two adjoining parcels of land in the Floriston School District, totaling 520.77 acres, are to be offered for sale to the highest bidder in the near future.

The properties were sold to the state for delinquent taxes in 1933 and deeded to the state in 1938. The amount of delinquent taxes from 1932 to 1952 inclusive is $577.95.

Miss Elma Hecker, county tax collector, reported to the board of supervisors she had received an offer of $700 for the property and the supervisors consented to holding an auction.

According to the official notice elsewhere in today's Sierra Sun, the bids will opened Monday, June 8, at 2 p.m. in the tax collector's office at the court house in Nevada City.

SANDRA SNYDER MARKS SEVENTH BIRTHDATE

TAHOE CITY— A birthday party held at the D. L. Snyder home at Lake Forest on April 21 honored the 7th birthdate of the elder daughter, Sandra. The table was set with matched cloth, plates, cups and napkins, each bearing the inscription, "Happy Birthday." The centerpiece was a cake set on a musical cake plate, decorated in white and chocolate with circus candle holders holding seven candles. At a pre-arranged time, the musical plate played "Happy Birthday" and the children around the table sang. The youngsters were served cake, ice cream cones and root beer.

Competitive games were played during the afternoon and Karen Henry of Tahoe City won high prize. Balloons were hung from the ceiling and when these were released, the children had an hilarious time catching them.

Guests included the following young people: Enrica McLane, Binth Rustad, Karen Grahn, Janie Giannini, Sandy Fellows, Karen Henry, Kim Turner, Betty Proctor, Elizabeth Weller, Stephanie Snyder and the honoree.

TAHOE WAS ROUGH FOR ANGLERS ON LAST WEEKEND

TAHOE CITY— Members of the Lake Tahoe-Sierra Chamber of Commerce had, this past weekend, hoped for the same good weather as the opening days of fishing on Lake Tahoe, but the past weekend was a bit of disappointment for general good fishing on the northwest end of the lake.

Both Saturday and Sunday were cold and windy, making the lake too rough at times for comfort. Some fishermen returned to shore to warm up and go out again or to give up fishing for the moment.

Nevertheless, there was a good number of boats out—some of the anglers being new entrants in the chamber's "Fisherman's Luck Month" and the latter were determined to bring in fish to qualify for drawings on May 30.

Among those who stayed out until they got their limits were Mary Zunino and Carl Painter of Truckee and E. O. Everson of Reno. Bob Seibold, Truckee, hooked two while Frank Quilici, fishing with him, got none. Nat Quilici reportedly had about the same kind of luck as Seibold. P. F. Wielslef of Tahoe also had a limit. He and Mary Zunino were deep lining for big ones that weighed from five to seven pounds each. All were using minnows for bait.

The largest fish and only German brown reported was caught by Ed Riley of San Francisco. All other fish reported were mackinaw.

LEAVE BABY DEER WHERE THEY ARE

SACRAMENTO— Kind-hearted motorists and visitors to California hills who "rescue" fawns and take them home are unwittingly doing the youngsters a bad turn, according to the annual spring warning from the California department of fish and game.

Young deer seemingly alone and deserted usually are not abandoned, the agency asserts. The mother probably is within range but knows better than to show herself, where baby does not.

Very young fawns further arouse sympathy because they are lean and weak-legged to the point of appearing half starved. This, it was pointed out, is true of all fawns early in life and does not mean that they are abandoned on a cruel world.

Once a fawn is taken into captivity it is impossible either to return it to its mother or return it full-grown to the woods without making it easy prey for perdatory animals.

Among the better reasons for leaving young deer alone is the possible fine of $500 and maximum jail sentence of six months.

Other "lost" baby animals are best left alone, too, the department announcement concludes.

COMMITTEE TO ACT TO CURB CAUSES OF FIRES IN FORESTS

SAN FRANCISCO— A concerted attack on carelessness with fire in the forests was planned at a recent meeting of the California Fire Prevention Committee here.

With a mid-winter drought and deficient rainfall ni some areas, Dewitt Nelson, state forester and committee chairman, said the combined forest fire fighters of the state were apprehensive of a bad forest fire season this year.

Every known media will be utilized in the next few months to carry the message of the urgent need for forest fire prevention to California's population, through the cooperation of the agencies comprising the committee.

These agencies include utilities, transportation companies, industry, forest users, farmers, mining companies, press, radio, TV, outdoor advertising, women's clubs, garden clubs, chambers of commerce, youth groups and others.

The committee was formed in San Francisco in 1947 and is credited with reducing the number of man-caused forest fires in recent years despite the state's increasing population.

STUDY BEING MADE OF BROWN TROUT

SACRAMENTO— Research into the life and habits of the brown trout moved outdoors on May 2, when the state department of fish and game biologists set up shop on the Rush Creek test stream in Mono County.

Marked fingerlings and catchables will be stocked and studied during the six-month angling season. Continuing creel checks are expected to yield data needed to determine best methods of establishing and maintaining brown trout fishing, the biologists believe.

Other creeks and lakes also will be studied this year as possible brown trout territory, including waters in the Grouse Ridge area of Nevada County, which will be given a test plant of brown fingerlings.

TO YOUR HEALTH

Cataracts

Column Sponsored by
MRS. MARIE HENRY
Tahoe City, Member of the Placer County Board of Health

Do you feel that you are looking all the time through a cloudy window?

If familiar objects no longer appear as clearly to you as they used to, your trouble may be a cataract. This is a clouding of the lens of the eye, which grows more dense as the cataract progresses. It reduces vision much as if the eye were misted by a waterfall, from which it takes its name.

If you think you have a cataract, go to a qualified eye physician. He will give you a thorough examination and tell you what must be done.

The most common cause of cataracts is age. They can, of course, and do, occur at any age. Young children may rarely develop cataracts. Cataracts also may be caused by injury to the lens and by such diseases as hardening of the arteries and diabetes, and by vitamin deficiency diseases and kidney disorders. Cataracts are most common after middle age is reached, as the eye lens gradually hardens and its focusing power is reduced.

Of course, not everything which interferes with your vision is a cataract. There are many other afflictions of the eye. The first thing to do is to find what is wrong. Many eye troubles, including cataracts, can be cleared up if treated in time. Delay may mean blindness.

The doctor will tell you if you have a cataract, or some other disorder which may be mistaken for a cataract. If his diagnosis is a cataract, he will probably prescribe surgery. If he does, don't be alarmed. In most cases, especially where the cataract is caused by age, this is a fairly simple operation. The surgeon merely removes the cloudy lens, while the patient is under local anesthesia. Usually, the stay in the hospital is relatively brief.

In our grandfather's day, it was the practice to allow the cataract to "ripen" or develop an advanced degree of density before removal was attempted. Today, surgery is so skilled and painless that such a delay is unnecessary. If you have a cataract, let your physician decide when, and if, an operation is needed. It may not be.

For further information you can write to the National Society for the Prevention of Blindness, 1790 Broadway, New York 19, N. Y., for its pamphlet "What You Should Know About Cataracts."

FISH AND GAME BODY SCHEDULES MEETS

SACRAMENTO— Future meetings of the California Fish and Game Commission have been scheduled for Thursday, May 21, in San Francisco, and June 26 in Los Angeles. Both public meetings will be held in the respective state buildings.

Pismo clams have been used for human consumption for at least several hundred years.

SOLONS WILL STUDY LOCAL FAIRS

SACRAMENTO —(CNS)— Further study of a new formula for allocating state money to local fairs will be undertaken during the legislative interim, it was indicated when the senate governmental efficiency and economy committee told Senator Verne Hoffman that such a study was warranted.

Hoffman headed an interim committee last year while the legislature was in recess.

PINE PRODUCTION UP 14 PER CENT; DEMAND IS HEAVY

SAN FRANCISCO— Western pine lumber production for the week ended April 25, based on reports from 107 mills, was down to 69,329,000 board feet, the Western Pine Association reported, although production for the year to date was 14 per cent of that for the same period last year. Production reported for the preceding week wsa 70,720,000 board feet.

The association also reported orders for the week ended April 25 totaled 71,659,000 feet and shipments 77,956,000 feet.

The report covers ponderosa, sugar and Idaho white pine and associated species.

Grim Side of Hunting in '52 Is Aired by Fish and Game

SACRAMENTO— Last year a deer hunter fired at movement in the brush and a moment later helped his brother pick up the body of the brother's wife after the .30 caliber expanding bullet had done its work.

Two boys, 7 and 8, rode in the back of a pickup truck with a loaded .22 rifle lying on the truckbed. The truck went over a bump, the gun discharged and the ricocheting bullet killed the 7-year-old, grandson of a retired game warden.

A grim-faced man hiked out of body of hispeneoqev fiavoldfD,o the deer country carrying the body of his brother after an unknown "sportsman" had shot him.

Just a Fraction

These are but three of a total of 20 fatal hunting accidents in California in 1952, just announced by Seth Gordon, director of the state department of fish and game.

Fatal and non-fatal gunshot injuries are compiled from newspaper clippings and the reports of fish and game wardens in the field. The 1952 totals do not include mishaps from causes other than gunfire, such as heart attacks and drownings, nor do they include Californians kill or injured while hunting in other states.

In spite of a handful of new hunting safety laws enacted by the 1951 legislature that became effective last year, the 1952 deaths exceeded by three the 1951 total. The all-time high was 38 hunter deaths in 1948.

There were 50 recorded non-fatal gunshot injuries in 1952, ranging from a stray buckshot in a finger to a foot blown off by a shotgun. This figure is considered lower than the actual total because many minor cases do not come to the attention of the fish and game agency.

Deer Rifles Deadly

Eleven of the 20 fatalities were caused by deer rifles, three by shotguns, five by .22 caliber rifles and one by a pistol.

Seventeen of the victims were over 15 years of age, three were 15 or under. Where another person did the shooting and was identified, four shooters were 15 or under, five over 15. Six of the dead were killed as a result of their own carelessness—classed as "self-inflicted."

Causes: Shot at movement, 2; horseplay, 1; tripped and fell, 2; removing loaded gun from auto, 3; removing loaded gun from boat, 1; loaded gun in vehicle unattended, 1; carelessness on line of fire, 2; thought victim was game or other object, 2; cleaning deer rifle, 1; gun laid on ground with safety supposedly on, 1; gun slipped from shooter's grasp, 1; and shooter unknown, 3.

"None of these cases was an accident," Gordon declared. "In every instance there was tragic carelessness. In most cases I would term it criminal negligence."

Safety Rules Cited

Gordon, long-time director of the National Rifle Association, pointed out that safety regulations that went into effect in 1952 include prohibitions against carrying a loaded firearm in a vehicle, shooting within 150 yards of an occupied building, hunting while intoxicated, shooting from a road and failure to offer aid to an injured hunter.

"In spite of 1511 arrests by our wardens for loaded-gun-in-vehicle violations there were four known deaths from this cause alone," he said. "One of the hardest jobs we have is to protect thoughtless hunters from their own foolishness."

He was quick to point out that more than a half-million hunting licenses were sold last year and that the majority of hunters exercise care in the use of firearms.

"It's that careless minority that causes the trouble," he said. "Some know better. The others should know better. In far too many cases there were youngsters involved who were never taught the rules of safety in handling deadly weapons."

Parents' Responsibility

Parents who allow their sons firearms should be responsible for training them in their safe handling, Gordon indicated.

Grim humor marked several incidents during the 1952 hunting season.

A man prohibited by terms of his probation from carrying arms tossed away a loaded pistol on the approach of what he thought was a game warden. The pistol discharged and wounded him. The man approaching, it turned out, was not a warden.

An Oroville man was carrying a buck he had shot when someone put a bullet in the neck of the dead animal.

A hunter near Portola thought a tree limb had brushed off his hunter's cap until he picked it up and found a .30 caliber bullet hole in it.

And a Ft. Ord soldier decided hunting would be easier from mule back. He mounted, rode until he spied a deer and fired. Deer ran. Mule bucked. Soldier fell off and broke leg.

TRUCKEE WOMEN AT MEETING OF CANCER SOCIETY

NEVADA CITY— The Nevada County Cancer Committee formally received its charter from the American Cancer Society at a luncheon Monday, May 11, at Nevada City.

In presenting the charter to G. Otis Ogden, president of the local group, Mrs. C. W. Turner, deputy state commander, lauded this area for its generosity in charity campaigns.

"You people have a wonderful reputation here," she said. "Nevada County rarely fails to make its quota."

Present at the luncheon were representatives of all parts of the county, including Truckee. Mrs. Harry Eaton, past president of the Truckee PTA and a director of the county cancer committee, was accompanied to the meeting by Mrs. Robert Chaney.

Mrs. Turner told the committee that their problem essentially was getting information to the people about cancer. She said that in 1948 the society conducted a market research survey and found that only 38 per cent of those questioned knew even one of the seven "danger signs of cancer." Again in 1953 they surveyed and then found that 54 per cent knew at least one danger sign. These seven danger signs are listed in the society's publications, obtainable from any committee member.

Mrs. Turner suggested that the local committee carry out its educational program through a concentrated program of speeches and films. "This is the most important part of our program," she said.

Ogden praised the work of Bernice Glasson, secretary of the county committee.

"She probably has worked harder helping to organize this committee than any other member," he said.

FINDS OLD ROAD MAP IN TRUCKEE DESK

While renovating an old desk in his home here, John McGlade uncovered an ancient road map of the Feather River country with some very interesting data. The map was issued by the California State Automobile Association and one of the more interesting facts reveals that all roads leading into and through this region was either dirt or gravel, paving being limited to only a few vally points.

The Sierra Tavern in Truckee was listed as the official AAA member here at that time.

MARRIED

Mrs. Juneta O'Toole, formerly of Soda Springs, was married to Ray Hoggabom of Elk Grove at Carson City May 1. Mr. and Mrs. Martin Hucke of Woodland stopped in Truckee en route home from the wedding to visit friends.

LOCAL FIRE DISTRICT $4880 BUDGET OPEN TO PUBLIC SCRUTINY

R. N. Little, secretary of the Truckee Fire District board of commissioners, today announced a preliminary budget has been adopted calling for an expenditure during the forthcoming fiscal year of $4880, of which $3880 is earmarked for maintenance and operation and $1,000 for capital outlay.

The board will meet at the office of the secretary June 16 to hear any discussion and to fix the final budget.

HOOPER DESIGNATES PAUL BERGEMANN AS DEPUTY CORONER

J. Paul Bergemann of Nevada City has been appointed deputy Nevada County coroner by Coroner Alvah Hooper of Truckee. The appointment was made Saturday.

Hooper defeated Bergemann in the 1950 election to retain his county position.

Stockton Box Worker Tells of Ordeal as Jap Prisoner

by W. M. BARRETT

Three years and eight months as a prisoner of the Japanese, during which time he went from a husky structural steel worker to a disease-ridden frame weighing less than 100 pounds is the story told by Hans Whitney in his recently published book, "Guest of the Fallen Sun."

Whitney, one of the 20 men sent to Truckee from West Point by the Stockton Box Company to augment the local crew for two weeks recently, is nearly fully recovered from the harrowing experiences told in his book but carries the scars of his imprisonment and the horrors are still fresh in his mind.

Whitney was with a construction company on Wake Island when the valiant but small detachment of Marines, under Colonel Devereaux, was overpowered by a Japanese fleet on that pin-point island, after inflicting terrifically heavy losses on the enemy.

Written in a simple, straightforward manner, the "Guest of the Fallen Sun" is not a "nice" book in the common use of the word. As a matter of fact, it is the plain story of a man's fight for survival under conditions which at times were almost humanly unbearable. It is a story of torture, starvation, mistreatment, death and destruction, but it's a good story and one which holds the interest of the reader from cover to cover.

A series of drawings, illustrating the story, are by Joseph J. Astarita, a fellow prisoner of the author and Dan Sterling edited the volume, which was published by the Exposition Press of New York.

"Guest of the Fallen Sun" is probably one of the most matter of fact books on the brutal subject in circulation. It pulls no punches and offers no self-praise or exaggerations—it tells a yarn the way only one who has been there and knows can tell it.

Good Street Lighting . . .
The Sign of a Good Place to Live

Modern living is active living. And in most communities many people work or play around the clock. They need modern public services around the clock too—to guide, comfort and protect them whenever they're away from home.

This means good street lighting—a civic improvement all can see and enjoy.

The District stands ready at all times to cooperate with the business interests and property owners in planning and improving the street lighting throughout the District.

NATIONAL HOSPITAL WEEK
Observed At Tahoe Forest Hospital

Tahoe Forest Hospital Annual Report

First Year of Operation

Following is the annual report of the Tahoe Forest District Hospital from April 14, 1952 to April 14, 1953:

Patient days of service	2688
Average % bed occupancy	35%
Patient admissions	583
Newborn	38
Total	621
Average days patient stay	4.7
Total maternity	38
Total surgical cases	74
Total orthopedic cases	126
Total medical cases	471
Out-patients treated	1,140
(Total ski accidents treated	525)

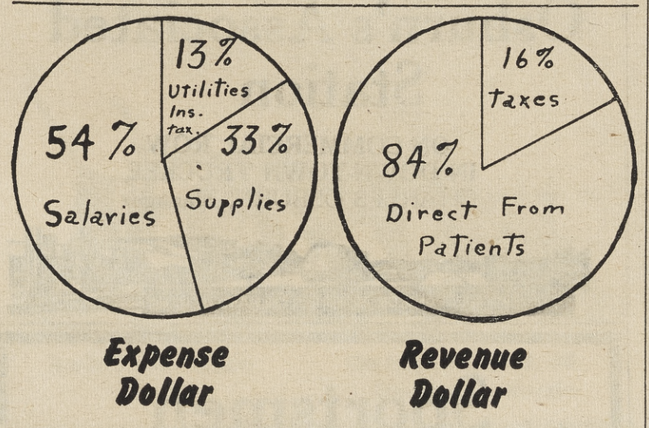

Blood Bank to Collect In District . . .

Kings Beach June 8
Truckee June 9

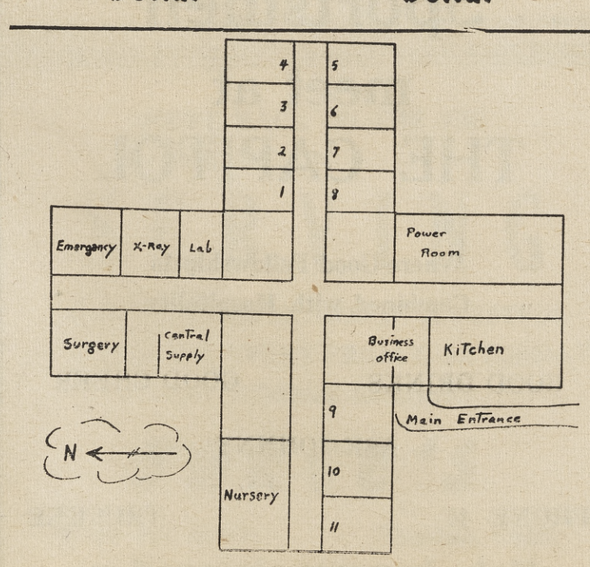

The Sacramento Blood Bank, where the Tahoe Forest Hospital District has a reserve supply, will be here June 8th and 9th to make collections from donors to replenish the supply for the District. The tentative arrangements call for the mobile collection unit to be at Kings Beach on the 8th and at Truckee on the 9th.

During the past year 44 units of blood have been given to patients. This blood, donated by you, has meant life to those who received it. The dollar value of these units is $1,100.00.

"Donate when you have the chance, because it won't be by chance that you'll get blood when you need it. It will be because people gave."

May 12th, 1953
NATIONAL HOSPITAL DAY

Tahoe Forest Hospital District
Nevada and Placer Counties
State of California

To: People of the District:

In commemoration of National Hospital Week (May 10 through 16) we take great pleasure in giving the following report of the progress of your hospital. As you know, the hospital is little over one year old. It is in the stage of establishing itself in the district as a medical center and also as a business asset, both being of importance to the residents and taxpayers of the district.

First, (1), is in regard to the medical care available: the use of the facilities have been given; and accomplishments of the staff in handling the patients. As shown in the statistics, we are actively carrying on the functions of a general hospital trying not to limit ourselves because of size. In instances where more elaborate equipment is required or specialists' services needed, we have excellent working arrangements with larger medical centers in California or Nevada. We are actively participating in the Blood Bank program in Sacramento with connections in Reno.

Second, (2), comparing our hospital with others, the State Bureau of Hospitals reports that of 22 hospitals of our size, the Tahoe Forest Hospital and two others are the only ones that are operating within their budgets. Also, the Association of California District Hospitals show in their report that of 25 district hospitals surveyed, the Tahoe Forest Hospital's charges for hospital care were lower than 14 of them and on the same level as three others.

Third, (3), as a business asset to the district, the hospital is adding thousands of dollars to the area through payroll and hospital purchases. The healthy business aspect of this is the money being spent is not money being taken from the district (65 per cent of our income is from people outside the district), therefore, all other business concerns do benefit by this increased buying power.

Two important facts emerge in considering this capital investment of the people of the hospital district. Capital produces income only when it is used. Its use, guided by simple business principles insures the continued and effective existence of the hospital. The other phase that requires attention is the active expression of spiritual principle in our every day activities: the personal care and attention that makes a patient's stay here as pleasant as possible. We are proud of our scrapbook of approximately 120 letters which affirms our belief in this, and that a joyful atmosphere "is good medicine."

Sincerely.
TAHOE FOREST DISTRICT HOSPITAL

John H Wardman

JOHN H. WARDMAN, Administrator.

Unity in The Community Builds Hospital

Less than a mile west of downtown Truckee, nestling among the whispering pines, two blocks south of Highway Forty in Gateway Park, is Tahoe Forest Hospital—a monument to the united determination and effort of the people of Truckee, northwest Lake Tahoe and the Donner area.

On April 14, 1952, Miss Mildred Culbertson attained the "honor" of being the first patient admitted for treatment in one of the most modern and thoroughly equipped small hospitals in the state. She was treated by Dr. L. D. Nelson for a dislocation suffered during a skiing accident.

District Formed

A volunteer committee, which drew membership from civic organizations in the eastern ends of Placer and Nevada Counties, worked for months seeking ways and means of establishing a hospital to serve these high Sierra communities. Meeting discouragement often, improvising and working on "jaw bone" frequently, this group brought about an election to form the Tahoe Forest Hospital District which was held on April 12, 1949. That their efforts were backed by their neighbors was testified to by the 439 to 54 approval at the polls.

The work of the committee—headed at different times by Hobart Snider, the Truckee forest ranger, and R. N. Little, local insurance man—was then ended and the task of bringing the hospital into being was assigned to board of directors appointed by the board of supervisors.

Two weeks after the election, the hospital board met with architect George Sellon of Sacramento on the first phases of planning the plant. On this board were Charles Heller of Truckee, then and since chairman of the board; Raymond A. Scott, then of Truckee now at Chowchilla; Ted Barrett, Kings Beacher who has since moved to Biggs; James Sherritt, of Soda Springs, and F. B. Sederberg of Tahoe City. Scott has since been replaced by I. Firpo of Truckee and Asa Abbott of Kings Beach has replaced Barrett.

Bond Issue

A $150,000 bond issue was required from the district to match nearly twice that amount put up from state and federal funds to build the hospital planned by Sellon. This state and federal aid was obtained with the help of such men as Sellon, T. L. Chamberlain, Auburn attorney; Supervisor Henry Loehr, and congressional and legislative representatives of the ditrict. The bond issue was approved throughout the district by a vote of 412 to 70 on August 30, 1949.

Conflict with fiscal calendars caused some delay in the start of the building but the financing was assured when the bonds were sold in November of the same year.

Shreck and Sons of Sacramento were the successful bidders as contractors to construct the hospital when bids were opened in September, 1950. It was in that month that ground was broken at the beautiful site, donated for the hospital by Richard Joseph of Gateway Park in memory of his son, Lt. Lavon Joseph, killed in action during the Pacific phase of World War II.

From that time, progress was slow but certain. Delays were caused by material shortages, weather difficulties, official inspections and other things. But all the time and effort spent was well invested. The people of this high Sierra area have every right to be proud of the results of their united determination to have and maintain a modern hospital plant. This is their hospital, created by them of their own volition and maintained by their taxes and their faith in the future of their district.

TAHOE TOPICS

by ETHEL J. VERNON

Through the seemingly long chill days of winter we used to wonder if the summer would ever REALLY come back again. But it's here again—definitely—and the inevitable late snow flurries no more than brush the ground with dampness until they've vanished in the warm May sunlight and the robins settle in flocks to pull worms from the thawed earth.

Two days ago, when we walked in the woods just west of the golf course where the mountain slopes up toward Bill Boyle's Cross, we found anemones, Tahoe's first flower of early summer, blooming again between the scanty patches of melting snow. It's no dream any more—summer's home for the season.

And we are welcoming home the early summer people who, like the robins, are returning in small flocks all along the shores. The "early bird catches the worm" and the early summer resident catches the fish. Or, at least he tries. Mr. and Mrs. Elfred Luhrs of Piedmont, who opened their home on the Truckee River early, went fishing on the lake Friday. There was a brisk wind that day and sudden snow flurries. The Luhrs' boat was caught in a little storm but before they had to pull for shore they had caught two nice fish, which weighed around four pounds each.

At the lakeshore home of the J. Phillip Murphys of Piedmont, there is work going on in preparation for opening the place soon for the summer. Among various repairs and renovation, Murphy has an eight-man crew there with a crane this week, building new docks where rough lake waters had previously damaged the old ones. Murphy is the head of the Judson-Pacific Steel Company in the bay region.

Mr. and Mrs. Burton Swartz motored up from the valley late last week. They opened their summer place at Tahoe Pines in time to enjoy some of the first fishing in the lake. From the Tahoe Pines shore to the deep waters off Rubicon Point, the lake seems to be as full of big fish this season as ever. Most of the native anglers recommend as the best bait at this season minnows for deep fishing and worms for shoreline and pier-ends.

Ken Churchill, with a party of friends from the bay region, were up for a few days of early fishing last week. They opened the summer place of Ken's relative, Mrs. S. D. Archibald, at Carnelian Bay and are reported to have done some good fishing off from the lakeshore there.

The Schlueter Resort at Tahoe Park on the lake highway is open and buzzing with activity this week. Mrs. Fern Schlueter, owner, is at home there for the summer and looking well after a winter of travel and vacation in the southland.

Mrs. Alice Brown, a summer Tahoeite of many years standing, is in her Tahoe Pines home again and happily settling down for the season. She spent the past winter in Los Angeles.

Mr. and Mrs. G. W. Mortimer, who spent the past winter in Sacramento, have opened their summer home at Tahoe Pines for the summer. Mortimer is deputy real estate commissioner in that city. They entertained as guests during the past few days Mr. and Mrs. Thomas Maple of Sacramento.

Mr. and Mrs. Bud Scott, summer residents here for many years past, were up from their winter home at Carmel last week. They are opening their lakeshore home, the former Spencer Black estate, and are preparing it for occupancy, as they plan to reside there this summer. Burt Scott, Bud Scott's father, also spent the past weekend at the Scott family home at Sunnyside.

Mr. and Mrs. Dave Owen of Lindsey, who have been summer residents here during the past few years, were guests at the A. M. Anderson home over part of the past weekend. They made a motor trip to Reno from here on Saturday with Anderson, who spends several hours 'most every Saturday golfing on the course there. The Owens are looking about this locality for a cottage to rent through the mid-summer season, as Owen plans to be employed here this summer.

Mr. and Mrs. Jack Starratt of this city spent the past weekend on a business trip to San Francisco. They planned while there to select a new stock of winter sports goods for their shop here, in order to have things in readiness far ahead for the coming winter season.

The Wallace Breuner home at Homewood was opened a few days during the past week to accommodate a party of winter sports fans who were up from the bay region for some late skiing. The party arrived barely in time to visit the Squaw Valley area before the Squaw Valley Lodge closed for its intermission between seasons. Dick Breuner and a friend, George MacCormack, used the home for a short vacation a few days earlier.

Mr. and Mrs. Max Bretzfelder, who have been occupying their Tahoe Pines home for some time past, left early this week for a few days in San Francisco. They planned to attend the Boston Follies while there.

Mr. and Mrs. Louis Soles of Santa Barbara occupied the Dorothy Earle home for a few days vacation during the past week.

Three young sailors on a short furlough from the submarine USS Diodon, now stationed at Mare Island, were visitors at the C. W. Vernon home for a short time during the past weekend. They were Seamen 1st Class Irwin Rosenblatt, Eugene Whitney and Ray Rinkes. Young Rosenblatt is a former Tahoe resident, Rinkes is from Bridgeport, Ohio, and Whitney from Cleveland.

Mr. and Mrs. Andrew White of Tahoe City and Sacramento spent the past weekend at their Tahoe City home. They did a lot of renovating and yard cleaning in readiness for the first of June, when they expect to move in again for the summer.

Tahoe members of the Placer County Taxpayers Association who attended last week's board of directors meeting in Auburn included T. L. James of Kings Beach, association chairman; Mr. and Dr. A. B. Sears of Sunnyside, Al Snyder of Lake Forest and A. M. Anderson of Tahoe City. The members said the main room of the Court House was used for the meeting and there was a capacity attendance. The discussion of most interest to the Tahoe members concerned the recent raise on assessed valuation of property in this county and the important question of "why the raise?"

Guests over the past weekend at the home of Mr. and Mrs. Bill Hunter of Lake Forest included Mr. and Mrs. Harry Nelson of Lodi, Mr. and Mrs. Charlie Murray of Sacramento and Hunter's parents, also of Lodi.

Dr. and Mrs. J. H. Last of Chicago, who were guests at Tahoe Inn over the past weekend, said this was their first visit to the lake and they were very much enthralled with the healthful atmosphere and the beauty of the high Sierra scenery. They went from here to San Francisco where they plan ot San Francisco where they plan to reside in the future and where Dr. Last will take up his practice. The doctor said he intends to spend his vacations at Tahoe in the future.

Mr. and Mrs. Stanley Bolton, who wintered in Auburn, with their daughter and her husband, Mr. and Mrs. Pete Ables, spent the past weekend visiting in and about Tahoe City. They are all former Tahoeites.

The Lake Tahoe-Sierra Chamber of Commerce will hold a regular open meeting on the evening of Friday, May 15, at 8 p.m. in the American Legion hall near Al Tahoe at the south end. Both members and non-members are urged to attend. The "Fishermen's Luck Month" project will be discussed at length at this time. There will also be discussions on at least two projects designated as "new business" and suggestions will be broached at this time which, if materialized, will be pretty sure to add to the chamber's income.

Mr. and Mrs. Howard Guth, proprietors of Tahoe Lodge, recently received an interesting communication from Victor and Alice Wikander, well known mountaineers of the Rubicon back country. The message brings the information that the Wikanders left their winter home in Oakland by airplane for foreign ports—including Finland—on April 26. In Finland the pair expected to visit Victor's birth place and boyhood home, where he lived until he was twenty-some years of age and won 57 medals in winter sports and marathon racing. They wrote they expected to be back at Tahoe in July so as not to miss their usual vacation at their Buck Island cabin in the back country during the mid-summer.

E. H. Pomin and N. R. Mayfield on May 5 were reelected directors of the Tahoe City Public Utility District. Pomin has served since 1938 when the district was formed and Mayfield since 1942. They have never been opposed at an election. C. W. Vernon is the third director, whose present term expires in May, 1955.

Several pieces of property in and about Tahoe City have recently changed hands, either by sale or lease.

Bill Bechdolt has leased his brother Carl's Lake Chalet Motel which he operates with Tahoe Inn. Carl Bechdolt and his family will move to their former home, known here as the Brougher place, a mile out of town. Bill Bechdolt said he needs the 12-unit motel for winter business. The motel has been closed during the winter for the last two years leaving Tahoe City short of winter accommodations. Carl Bechdolt will now devote all his time during the summer to his golf course.

Another lease with purchase of equipment was Sky Lodge. Mr. and Mrs. Tony Donadio of Lodi, recently of Soda Springs, will open the lodge this month. The equipment and liquor license deal was made with Frank Turner, who has operated the place for the past two years. Joe King of Kings Beach.

S. Landa of Sparks, Nevada, has purchased the William Reardon home in Tahoe City Terrace tract and will occupy the place this summer. The Landas own another home in the same tract.

Robert Beaverson, who with his wife have occupied the Reardon property, have purchased the L. D. Smalley home adjoining the rented property. They are presently making improvements preparatory to moving in by May 30.

Mr. and Mrs. Robert Leonardini and three children of Lodi have recently moved into the apartment above the Kehoe grocery store in Tahoe City. Leonardini has accepted the position of manager of the Kehoe store here for the summer. Basil Kehoe, owner of the store, has another business in Reno, known as the Casazza Store. He expects to be quite busy commuting back and forth between the two businesses through the summer, as he also keeps a manager at the Reno place.

District School News

TRUCKEE ELEMENTARY

First Grade

This week the First Grade decided to decorate the hall bulletin board with pictures of each child's favorite outdoor game. Each one drew a picture and gave it a title. Ball, hide and seek, cowboys and Indians were the favorite games.

The children are busily competing this week and next to see who can read the most library books. They find that they have learned many new words and are enjoying the adventures of the new story characters and their pets.

Multi-colored carnations decorated the covers of the Mothers' Day booklets the First Graders compiled last week. They each kept samples of their best work during the week, drew pictures of their mothers and themselves and concluded with letters to their mothers.

DONNER TRAIL

This week in social studies we have been learning some new Spanish words. We have been applying these new words and numbers to our games at recess. One of the boys brought a Mexican newspaper telling of the famous Mexican holiday, the 5th of May.

In arithmetic, we have been reviewing our times tables and going over again the various things we have to know to complete the work for this year.

In our language program, we have been talking about how letters are written and the post office rules regarding the use of envelopes. Some of the pupils took advantage of the letter writing and wrote letters to brothers overseas.

KINGS BEACH

Kindergarten and 1st Grade

Last Wednesday morning was the time for our pre-school round-up and we registered five kindergarteners for next fall. Dr. Jose Nessim and Dr. H. M. Holmes were here to give the children physical and dental checks. Those registered are Paula Martin, Chris Althof, Steven Felte, Phil Thompson and Donald Clayton.

During our activity period last Thursday we had a clean-up for our room. Everyone helped wash, dust, straighten up and replace things.

Friday, we each made cards for our mothers. Cut-out designs were used and flowers and many colors of construction paper were pasted on. On the inside were slits where we could put a hanky or a note saying we would do certain things for our mothers.

Grades 2 and 3

Friday, during our art period we made Mother's Day cards for our mothers.

Last Thursday, during our language arts period, we wrote letters of appreciation to the Standard School broadcast. We wrote individual letters about our favorite program and why we liked it. Mrs. Wing mailed these letters. She also mailed some of our special reports, drawings, maps and flags.

Philip Mandeville brought his stereoscope to our room. He has a large collection of pictures for us to look at during our free study. Frances Howard brought a live crawfish to our class. The boys and girls have been taking turns feeding it salmon eggs. We have the crawfish on our science table.

Nancy and Suzanne Silbaugh brought their electric View-Master to school. They also brought four interesting colored reels of pictures on Mexico.

Patrick Collery has joined our class. He is in the third grade and comes here from San Jose.

Larry Mandeville, who is in the second grade, gave a birthday party for all his second grade classmates Friday after school. Larry is eight years old now. The birthday party was hled at Cascade Beach, Nevada.

Grades 4, 5 and 6

We are finishing our unit about South America this week. For a review of all the countries, we are planning to make two murals. One will show the agricultural, mineral and manufacturing products; the other the people, their activities and education.

The sixth grade group is learning division of fractions. The fifth grade group is advancing rapidly in fractions, while the group in the fourth grade is working on multipication and division of whole numbers.

We welcomed Barbara Painter to our room last Monday. She comes to our school from Sacramento.

Bill Noack has recovered from asthma and has returned to San Mateo to live with his parents.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

May 20, 1953

To Whom it May Concern:

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Hwy. 89, 1 mile south of Tahoe City, Placer County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

Seasonal On-Sale General

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

Notice is hereby given that sealde bids, in duplicate, will be received by the Board of Directors of Truckee Public Utility District, State of California, at the office of the District, Main St., Truckee, California, until 3 P.M. May 26, 1953 for the purchase and installation for this District of a 100,000 gallon Redwood Water Tank in accordance with the specifications therefor which may be obtained at the office of the District. The Board reserves the right to reject any and all bids and/or to waive any irregularities or informalities in the bidding.

E. L. LOYND, Chairman, Board of Directors. m21

ANTI-COMMUNIST

SACRAMENTO —(CNS)— The assembly Tuesday passed and sent the governor a bill aimed at dismissing state college teachers who hold communistic beliefs.

Frank Luckel of San Deigo, who took up the bill in the lower house, said under it any teacher accused of advocating communism either on or off campus would be given six months notice of dismissal and a hearing before the state personnel board.

HOME OWNERS' QUESTION BOX

Q—Is there any way to keep a bathroom mirror from fogging?

A—No practical way. Fogging is caused by the high concentration of moisture in the air. Special non-fogging mirrors are made with concealed heating elements which keep the glass at a high enough temperature so that moisture doesn't collect.

Q—I have been told that a garage floor should slope slightly toward the door. Is that correct?

A—Yes, it's an excellent idea. Gasoline vapor is heavier than air and it can collect in explosive quantities in hollows in a supposedly level floor. But if the floor slopes, the vapor will flow out under the door.

Q—I am planning to put a new asphalt roof on my house. Would it be wise to select green shingles to match the window shutters?

A—If you would like the complete color scheme which that would give you, go right ahead. Color is largely a matter of personal preference, and any homeowner should feel free to use the colors that appeal to him. In your particular case, you might select an asphalt shingle color from the large variety available and then re-paint the shutters if desired. The roof color is chosen first because it is a lasting color. Colors of other parts of the house may need to be painted many times during the life of a roof

Q—Must a paint brush be cleaned thoroughly if it is going to be used again within two or three days?

A—No, thorough cleaning isn't necessary. Clean out some of the paint, and then wrap the bristle end of the brush in waxed paper. Seal the edges of the paper with tape to keep out the air.

Q—Is it necessary to paint copper door and window screens?

A—Copper won't rust, but it will corrode and protection is needed for that reason. Use spar varnish or screen enamel. If the varnish or enamel is thinned heavily, it won't be so likely to accumulate in the mesh.

STATE PAYS BOUNTY ON TEN LIONS

SACRAMENTO— A total of 867 predators were removed from the California scene during March by its trappers and lion hunters, the state department of fish and game reports.

The total bagged included 35 coyotes taken from Siskiyou County of the 161 bagged statewide; 16 bobcats from San Benito County of the month's 85 total; and 203 skunks, of which 28 were nabbed in Solano and 25 in Butte counties.

Ten mountain lions' hides were turned in for state bounties during the month.

Ponderosa pines frequently reach an age of 400 or 500 years.

My Place In the Sun

by DOUG BARRETT

Smart kids.....last week Reggie Smart landed a 4½ pounder at Tahoe to top his dad, Reg.....this week Reg took his daughter, Karen out on Donner Lake with him..... and she came home with a 1½ pound kokanee.....Reg came home with his eight-year-old daughter well, anyway, he showed them how.....Bill "Antque" Porter painting the picket fences at his place white.....while Gary and John Sturcke look over his shoulder; not being "Tom Sawyered" into anything, though.....Bud Owens and Steve Kolos electrically working on the site of the Gateway Richfield station-to-be.....after twilight with light from the headlights of Bud's pick-up.....Irene Englehart and Marj Newsham, laden with card tables, headed into the elementary school Monday afternoon making ready for the PTA card party that night.....While he's been "it" for years, I never knew about still another of N. F. (Tom) Dolley's many jobs 'til this week..... beside being constable, fire chief, deputy coroner, etc.....he's a deputy county registrar of vital statistics.....In days gone, it was said "The hand that rocks the cradle rules the world".....today it gets paid from four-bits an hour up..... There's a new name in the Truckee business community.....with the substitution of "Curran Distributing" for "Mattos Beverage and Ice".....Willie and Dolores took over from Joe and May last year but are making a gradual transition in the name.....Hes and Rose Cardinal smiling at a lot of compliments.....on the acquisition of a new Buick from Osburn's Buick Garage.....speaking of new ones, didja notice the new canary yellow truck Tommy Patterson was driving.....for the Truckee Public Utility District?.....got that Willys from Sierra Truck and Motor via Harry Barnes at Gateway Garage Truckee's younger "teens" have succumbed to a new fad.....armed with colorful, transparent water pistols, they bob and weave along the main street.....trying what everyone else tries, one way or another, with the usual success..... to hit without being hit.....Dr. Oliver Scow had an attractive addition to his dental offices this week in the form of a registered nurse to lend him a hand.....the same being Mrs. O. S.....who some years back gave him the same hand in matrimony.....Earl and Elizabeth McKay working diligently and consistently.....to keep the dandelions out of their lovely lawn.....

NEW SERVICE AT TAHOE ANNOUNCED

TAHOE CITY— Harry's Refrigeration Service, owned by Harry Winans, has opened for business at Tahoe City, featuring guaranteed electric motor repair. The modern shop is selling and servicing Frigidaire and Sherer merchandise, including walk-in boxes, display cases and ice cube makers. Winans anticipated a busy season by installing a complete line of refrigerators and motor parts.

GIANNINIS OPEN TAHOE RESORT

TAHOE CITY— Mr. and Mrs. Enrico Giannini have assumed the management of Lake Inn just north of Tahoe City and are preparing for the coming busy season.

Giannini, who is Golden State distributor in this district, said they plan to make a number of improvements on the property and will keep it open the year around.

TO CONVENTION

Mrs. Hazel Roberts, district deputy and representative of Summit Temple 79, Pythian Sisters, will attend a convention of the order this weekend at Hoberg's in Lake County. She plans to visit relatives in the valley before returning here.

NATIONAL GUARD MEN HERE SOON

Major Nicholas Brooks and WO Walter Murphy of the California National Guard will be in Truckee May 15-17 in an effort to overcome obstacles to the formation of a National Guard weapons platoon for this area. They will make their headquarters at the Veterans Memorial building during the three days and will be available to answer the queries of anyone interested.

Murphy indicated that if no means can be found for the formation of a unit here, the Guard will abandon further efforts in that direction for the time being.

CHARGE DROPPED IN DOCTOR CASE

Judge F. W. Wilson of the Truckee Judicial District Court this week announced that at the request of District Attorney Vernon Stoll he has dismissed the local charge against Dr. J. B. O'Niell, who was recently indicted in three counts by the Nevada County Grand Jury on charges of violating narcotics laws.

The charge by the grand jury is still pending.

Mrs. Henry Toccalini is reported to be seriously ill at Reno.

QUENTON KAY IS AGAIN HONORED

A second celebration for the birthdate of Quenton Kay was given by his mother, Mrs. Charles Kay, at their home on May 6. The children played baseball and gifts were opened by the guest of honor, the afternoon concluding with the serving of refreshments.

Those present included Mike Kaspian, Nick Stone, Bill Notley, Bill Thornton, Fred Cummins, Drew Weyman, Ronnie Borden, Tim Risden, Roy Stallard, Mike Kumle, Reg Smart, Clark Kydd, Caroline Vaughan, Cathy Street, Liane Kay.

Riordans in Colfax—

Mr. and Mrs. B. J. Riordan have left Sacramento where they spent several months and are living at Colfax. The Riordans left here following his retirement from the Southern Pacific last year after 50 of employment.

Suttons Returning—

Mr. and Mrs. Ronald Sutton are returning here from Stockton, where they spent most of the winter. They attended funeral services held in the valley for Sutton's grandfather this week.

TAHOE CHAMBER SCHEDULES MEET

TAHOE CITY— There will be a regular meeting of the Lake Tahoe-Sierra Chamber of Commerce on Friday, May 15, at 8 p.m. at the American Legion hall near Al Tahoe. This promises to be an interesting meeting, with discussion of the current "Fisherman's Luck" month activities, in addition to consideration of extended highway policies and of the possible formation of a visitor and convention committee within the chamber.

These three subjects, together with a report from the advertising committee chairman, will fill the agenda. The full membership is urged to attend and bring any interested non-members.

GEORGE F. KAMPS HAVE NEW SON

Mr. and Mrs. George F. Kamp of San Francisco became the parents of a son on Thursday, May 7. Gerald Elliott are the boy's given names and his arrival weight was 8½ pounds. Mr. and Mrs. George Kamp of Truckee are the paternal grandparents.

SCHOOL BASEBALL TEAM LOSES THREE GAMES THIS WEEK

The Tahoe-Truckee High School Wolverine baseball team dropped three games last week to member teams of the newly organized Nevada Sierra interstate baseball league. On May 4, the Wolverines traveled to Susanville where they were taken into camp by the powerful Lassen Grizzlies to the tune of 16 to 2.

On Friday, the locals lost a close one to the Yerington Lions on the Truckee diamond as they were nosed out in seven innings 10 to 8. This was the best game of the year for the Wolverine nine as they out-hit the visitors 9 to 5 but nine Tahoe-Truckee errors were the deciding factor in the game. Joe Copeland's third inning home run inside the park was the high point of this game.

Saturday the locals were hosts to the undefeated Reno Huskies who maintained their record as they handed Tahoe-Truckee a 30 to 8 defeat. It was a case of too many errors for the Wolverines—18 in nine innings. Reno collected 16 hits to 12 for the Wolverines.

Friday, March 15, at 2:30 p.m. the Wolverines take on the Lassen Grizzlies at the Truckee ball park. This will be the next to the last interscholastic appearance of the season. They end up with Fallon on May 23 at Truckee.

Box Scores

Tahoe-Truckee 000 000 2—2
Lassen 004 318 X—16

Batteries: Bob Sanford, Dixon (6) and Ron Sanford; Grohs, Ashley, Paguegui and Halverson. Base hits by T-T: Ebe, Thomas, Marquis and R. Sanford.

FAMILY NIGHT AT TAHOE ROTARY SET FOR MAY 26

TAHOE CITY— May 26 will be family night for the Tahoe City Rotary Club. That night members will be hosts to members of their families at Tahoe Inn.

At this Tuesday night's meeting, there were 28 members present to welcome Marshall Ruhkala as a new member. Members returning for the summer included George Kehlet, Fred Kilner and Ralph Stanley. Visiting Rotarians were Everett Griffith, Woodland, and D. Gaynor, Auburn.

On the program, two more Rotarians told of their personal histories. Steve Korich related how he became a fighter for Uncle Sam at 16, serving in Persia. Bill Connors told of his experiences as a flight instructor and later as a air squadron leader over the Philippines. The club went on record to support the Tahoe City Fire Department's 4th of July fireworks program. Denis Sach presided at the meeting.

To Colfax—

Mr. and Mrs. E. A. Lloyd and sons were Colfax visitors last weekend.

FOR SALE— Electric fixtures for living room, dining room, hall and fireplace. Phone Truckee 172J. 1tc

FOR SALE— Automatic washer, $70; 20M BTU cabinet kerosene heater, $15, nearly new. Telephone Truckee 3 before 1 p.m.

BUILDING HOME

Mr. and Mrs. Newton Summers are building a new home at the west end of Donner Lake where they plan to reside. Summers is a disabled veteran and was a prisoner of the Japanese for 27 months during World War II. Mrs. Summers, a nurse, will be employed at Tahoe Forest Hospital. They are from Bakersfield.

Up from Auburn—

Mr. and Mrs. Andrew Brazil of Auburn were guests over the week end of Mr. and Mrs. Martin Sturcke here.

At Homewood—

Mr. and Mrs. Lester Wilkinson, pioneer summer residents at Homewood, have arrived from Oakland to spend the season.

Back at Lake—

A. J. Rodriques is moving from Auburn to return to Tahoe City for the summer.

See Property—

Mr. and Mrs. Carl Smith of San Francisco visited their Donner Lake property this week.

Donner Men Better—

E. C. McReynolds and Eugene Welch, both of Donner Lake, are back at work following illnesses last week.

In Sacramento—

Mr. and Mrs. Daven Morey and children were Sacramento visitors Sunday.

Back to Tahoma—

W. G. Haste of Gardena has returned to Tahoma, where he will be employed during the summer.

Tarzan

by EDGAR RICE BURROUGHS®

NO SOONER HAD THE FOUR COMPANIONS ESCAPED FROM THE TEMPLE, WHEN THEIR LIVES WERE THREATENED BY AN UGLY DENIZEN OF THE DEEP-- A KILLER SHARK!

TARZAN PLACED THE CASKET ON A ROCK AS THE HUNGRY MONSTER SWAM DIRECTLY IN THEIR MIDST. AND NOW, WITH DARING AND COURAGE, THE COMBATANTS JABBED THEIR WEAPONS INTO THE FISH'S THICK SKIN!

BLEEDING, HURT, A CREATURE OF DEMONICAL FURY, THE SHARK SINGLED TARZAN FOR ATTACK,

Copr. 1953 Edgar Rice Burroughs, Inc.—Tm. Reg. U.S. Pat. Off. Distr. by United Feature Syndicate, Inc.

THEN, IN THE CONFUSION OF CHURNING WATERS, ONE OF THE FIGURES SEIZED THE CASKET AND FLED, A SHADOWY SHAPE, SOON DISAPPEARING IN THE GLOOM--

FINALLY, AFTER BEING PIERCED MANY TIMES IN ITS VULNERABLE BELLY, THE SHARK CONVULSED AND DRIFTED TOWARD THE SURFACE -- DEAD.

BUT NOW THE VICTORS DISCOVERED THEIR BETRAYAL AND WERE FILLED WITH DESPAIR--FOR THE THIEF, IF NOT YET ON SHORE, COULD EASILY HIDE IN THIS MARINE FOREST!

FAMILY TREE SOCIETY... IF YOU'VE GOT A FAMILY, WE CAN TRACE IT—ANYWHERE!!

HOW IS THE RUSH JOB ON THE JASPER HAGSTONE FAMILY TREE COMING ALONG, McCOBWEB?

I'VE TRACED THE FAMILY BACK THROUGH A BARBARY COAST BUBBLE DANCER, A BLACK MARKET SALESMAN IN THE AMERICAN REVOLUTION, AND A MEDIEVAL MARINATED HERRING KING!

THERE'S HARDLY A YEAR WHEN SOME MEMBER OF THE FAMILY DIDN'T MAKE MY JOB SIMPLER BY GETTING A JAIL SENTENCE—ALL NEATLY RECORDED! BUT (SIGH)...THERE'S STILL ONE BLANK!

ABOUT THE FOURTEENTH CENTURY, A HAGSTONE MARRIED A CERTAIN CHARACTER WHOSE NAME APPEARS UNREADABLE IN ALL THE GENEALOGICAL CHARTS... AS THOUGH SOMEBODY TRIED DESPERATELY TO **ERASE** THE RELATIONSHIP WITH THIS CHARACTER!

ALL I CAN MAKE OUT ARE A COUPLE OF FAINT LETTERS... G-R-O...THE REST SEEMS BLURRED BY WHAT OUR CHEMISTS HAVE ANALYZED AS A MIXTURE OF **MEDIEVAL RUM** AND **DANDELION BEER!**

WELL (SIGH), MR. HAGSTONE WAS IN A TERRIBLE HURRY TO GET HIS FAMILY TREE...SEEMS HIS DAUGHTER'S FIANCE IS AN EARL WHO REQUIRES HER GENEALOGY BEFORE HE LEADS HER TO THE ALTAR!
